

Top Farmington area seniors honored by Phi Beta Kappa

Top graduating seniors of the Farmington Hills area got a big salute at Cobo Convention Center on Friday night, May 1.

They are among the leading students from the Detroit metropolitan area honored at the 50th annual Honors Convocation sponsored by the Detroit Association of Phi Beta Kappa. About 2,500 students, parents, and

school officials attended.

"These are the brightest and most promising young people in our area, and they deserve all the praise and recognition we can give them," said Carol P. Klein, president of the Detroit Association of Phi Beta Kappa, which comprises members of the national honor society residing in the Detroit area.

"These students have earned

recognition as future leaders and scholars by doing what it takes to rank at the head of their classes," she said. "This convocation honors them in the presence of their parents, teachers, counselors, and also their academic peers from the entire metropolitan area."

Nearly 3,000 graduating seniors in 164 public, private, and parochial high schools in

southeastern Michigan who maintained a 3.75 grade point in their academic classes were invited to the convocation, and each received a certificate from the Detroit Association of Phi Beta Kappa. Additionally, scholarships funded by the Matilda Wilson Foundation were awarded to more than 150 students who earned a 4.0 average.

Area honorees include:

Clarenceville High: Colin Black, Rustin Enrico, Joseph Novell, Laura Ronayne and Melissa Stallings.

The Heritage provides equal housing opportunities to all individuals 62 years of age or older.

My Health. My Needs. My Hospital.

"The women's programs at St. Mary Hospital meet all my needs."

My doctor said I needed a few tests, and told me about St. Mary Hospital's new Marian Women's Center. It's close to home, and the staff is committed to keeping women healthy. I found a warm, caring atmosphere designed to help women feel comfortable.

The Center provides education and support programs for women of all ages. Diagnostic testing like mammography, radiology, and ultrasound are also available, as well as a complete breast health clinic.

The Marian Women's Center, adjacent to the new Miracle of Life Maternity Center, provides

family services like childbirth education, a breastfeeding program, and even pre- and postnatal exercise classes. We're planning to start a family soon, and all the programs I need are now available close to home.

My mother was interested in the Marian Women's Center menopause support group, which educates women and removes some of the mystery about this time of life.

And, if I want more information about health topics concerning women, I can attend specialized seminars throughout the year.

The Marian Women's Center cares about women. That's why St. Mary Hospital is my hospital.
