"Hi, Dad"

Two words that a father usually enjoys hearing accompanied by a happy smile, are "Hi Dad". It seems that after a trying day at work, this greeting has a special effect on fathers, and it helps them to put the concerns of everyday life into perspective. A child cannot imagine how much a simple greeting, that reflects caring and love, can mean to a father.

A loving father should set an example for his children by being a Godly man who loves and treasures his family. He has the responsibility to give his children love, care, and guidance throughout their lives, just as the children should be committed to giving their father love, honor, and respect throughout his life.

The Bible tells us that fathers give good things to their children. How much more then, will our Father in heaven, give good things to those who ask Him!

And, ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord.
K.J.V. Ephesians 6:4
