

IT'S OBVIOUS FROM THE START . . . TEAMWORK WINS.

You learned at an early age that things turn out better when you work together.

That's why the UAW International Union and General Motors Corporation got together to create programs to help educate, to promote teamwork and to improve health and safety. So that we could build better quality cars and trucks for you.

Because, working together as a team, the dedicated men and women of the UAW-GM are up to any challenge.
