

LAXATIVE SENT FREE TO TRY

It may be taken for granted that there is no family that does not sometimes need a laxative. If you don't know of a good laxative, or the laxative you are using is losing its effect, we want to call your attention to Caldwell's Syrup Pepsin, which thousands of families are using successfully.

We have scores of letters from mothers, and scores from prominent men saying they are using it personally and giving it to their families. Men like Mr. C. K. Smith of the Traffic Clearing House, Pine Bluff, Ark., and Mr. George B. Turner, a lawyer of Harten, Ky. The thousands of mothers who use it themselves and give it to their children would take too much space to mention.

The reason they prefer Syrup Pepsin is that it is a mild, gentle laxative- tonic that does not gripe- effective and yet so mild that babies can take it. Its tonic ingredients invigorate the body and strengthen the stomach and bowel muscles so that they again do their work naturally. If you have been a victim of salts, pills and strong cathartics you will discard them when you once use Syrup Pepsin.

You can buy a fifty cent or one dollar bottle of any druggist, but before doing so you may want to try it free. If so, send your address to Dr. Caldwell and he will promptly forward a free sample bottle. Then, being convinced, do as others are doing and buy it in the regular way of your favorite druggist.

Coming to Plymouth

At Plymouth Hotel Wednesday, Nov. 22.—One day only.

The Northwestern United Doctors duly organized and licensed by the state for the purpose of treating diseases, deformities and all curable ailments without surgical operation. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in this locality, that at last treatments have been discovered that are absolutely sure and certain in their effect.

By their developed system no more operations, for appendicitis, gall stones, tumor, goiter, piles or cancer. They were among the first in America to do away with the knife, blood and pain in the successful treatment and cure of these dangerous diseases.

Diseases of the stomach, intestines, liver, skin, nerves, heart, spleen, kidneys and bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, epilepsy, fits, etc., all treated with gratifying success. Consumption, asthma, bronchitis and catarrhal diseases absolutely cured with combination of medicine, hygiene, diet, exercise and the important uses of clothes, occupation, etc. Many cases of deafness are frequently cured in sixty days. Catarrh, granulated lids and old weak, watery, sore eyes, treated after a fashion that knows no fail. In long standing, deep-seated, chronic diseases of men and women, and slow growths and undeveloped children's diseases, a treatment that is absolutely certain in its effects can be had and depended upon. Thousands of patients throughout the Northwest attest the ability of the Northwestern United Doctors to cure these dread diseases.

No matter what your ailment may be, no matter what others have told you, no matter what experience you have had with other physicians, it will be to your advantage to treat with the Northwestern United Doctor Specialists. Even if your case is incurable they will give you such advice that will relieve you and stay the disease. There is no string tied to this proposition, they mean just what they say and will do to their content. Every specialist is prominent in his line and stands at the head of the profession.

Do not put off this duty you owe yourself, your friends and your relatives, as a visit this time costs you nothing and may save your life. If you have kidney or bladder trouble, bring a two ounce bottle of your urine for chemical analysis and microscopic examination. Remember this free offer is for this trip only.
