fall continues.

Two reasons for that: the frontend loader will move smaller piles
into bigger ones, opening up additional room; there is a second dump-

tional room; there is a second dump-ing alto on Nine Mile.

"We should be OK as long as the snow doesn't continue t't the current rate," Lauhoff continued. 'If it con-tinues ... we'll be using all of our available space to put snow."

Overtime for workers is accumu-lating almost as fast as the snow, But Lauhoff doesn't anticipate the

costs would be through a nuager adjustment. There might be temporary relief from the snowfall this weekend, when warmer temporatures are forecast.

"To want it to melt slowly," Lauhoff said half-jokingly, fully aware of basement flooding wees in the area in recent years.

In Farmington Hills, crews are plowing snow to the side of road-

ways. "We don't have a downtown with sidewalks up to the curb so we can still put the snow on the side of the road," said Public Works Direc-tor Dan Rooney.

Downspouts, gutters,
As in Farmington, Farmington
Hills residents are urged to shovel
the snow around their mathoxes.
And with the anticipated increase in
temperatures this weekend, residents are advised to remove snow
from downspouts and gutters to
allow free flow of melting snow. Residents also should check to be sure
any drainage system is not clogged,
Rooney said.

teacher training and that's what we'll be talking about (Tuesday), whether to make summer training mandatory."

Unless there is a serious roadblock, the proposal will be shuttled to district administrators; the support council will need to seom begin work on the 1999-00 budget.

Meanwhile, Wilson emphasized that the teachers don't want to go to block without the blessing of parents and students. "We want consensus on all luvels."

There is another reason

later than the current school

day.

It will feature "Student Enrichment Time," SET, for 70 minutes on Tuesday mornings. At Farmington High, students engage in "Student Managed Academic Research Time," or SMART. All seven hours would

meet on Mondays for 47 minutes. Students would attend three or four 91-minute blocks on alternating days. the rest of the week.
