**Every Day Should Be Valentine's Day**  
 Traditionally, St. Valentine's Day is a time when we express how much we love and care about our family and friends. I fondly recall Valentine's Day during my years in elementary school, when all of the students would have the little "punch out" valentines which we would sign and exchange with other students, teachers and our families. Everyone received several cards, expressing in one way or another, St. Valentine's message of love. The Bible tells us that God is Love and that His Ten Commandments are based on the principles of loving God with all our hearts and loving our neighbors as we love ourselves. Caring about those around us on a daily basis will strengthen our relationship with God and our neighbors. We all need love and support more than just once a year, and our Heavenly Father wants His love to be celebrated every day of our lives.  
 "Love your neighbor as you love yourself." If you love someone, you will never do him wrong...  
 Good News Bible Romans 13:9-10
