

## Options *from page A1*

up on homework, or work on a computer project in the media center. Other options? For starters, there are guest speakers, ceramics labs, clothing bingo and even Tae-bo instruction. Following is a sampling of what students were doing that day.

Block scheduling is in its third year at Farmington High School.

**Time** *from page A3*

"It brings math, science and technology together," Steudle said. "It (helps) students to actively apply their knowledge, but in a fun way. This will help bring it into something that's tangible."

# It's Valentine's Day. Give her a ring.
