Laser Eye Surgery \$2,999! both eyes

LASIK Vision Correction is now available in Farmington Hills!

Thousands of people have traveled outside the United States to experience the life-changing miracle of LASIK vision correction. This painless, proven procedure can permanently correct nearsightedness, astigmatism, and hyperopia.

The Farmington Laser Eye Center now brings Michigan's most advanced LASIK eye facility to you! Dr. Donald C. Flander, the center's Medical Director, is the most experienced practitioner of LASIK eye surgery in Michigan.

Here's what a few clear-eyed friends have to say:

I wore hard contacts since 1971. I could not even drive without corrective lenses before LASIK. After surgery my eyes adjusted very easily, and my vision is steadily improving. It is wonderful!
Mrs. Jean K. Weston
Kindergarten Teacher

I wore glasses all my life, and trifocals for the last 12 years. I was 20 X 350 in one eye! Now I can get by all day without glasses. My 21-year-old daughter is going to see Dr. Flander for LASIK as soon as possible!
Perrie Knorr
School Psychologist

Special Limited Time Offer!

The first 1,000 patients who schedule a consultation will receive LASIK surgery on both eyes for only \$2,999 - regularly \$4,400! Includes pre- and post-operative visits.

Call today for details.
