Take Care Of Your Soul

In today's world, it seems that almost everyone is concerned with, and involved in, taking care of their physical health. Today more people are jogging and exercising than ever before, and almost every day it seems that we hear about some new way to improve our health. Just as we have to maintain and nourish our bodies, we should also maintain and nourish our souls. As we grow older, regardless of how well we maintain our bodies, we will eventually become weak and frail; whereas, our souls will live on forever. Living as our Lord would want us to, and taking care of our spiritual needs, is also important for our happiness and well-being. Daily prayer, reading the Bible, doing acts of charity, and regularly attending church, will improve our relationship with our Divine Father, and will help us to care for our souls. Taking care of both our bodies and our souls is important because the body is the temple for the soul; however, Jesus stressed the importance of caring for the soul when He said to His disciples, "What good will it be for a man if he gains the whole world, yet forfeits his soul."

But as for me, God will redeem my soul from the power of death, for He will receive me.

The Living Bible Psalm 49:15
