Mega Conference Gold Division champion and an Observerland champ. He finished third in the state meet with a personal best of 54 feet.

He has a 3.8 grade-point average and will attend Michigan State, where he plans to walk on as a pole vaulter.

"Joe is a very dedicated athlete," coach Bob Phillips said. "He is always there doing the extra things to improve. He is a leader and sets an example for our younger kids to follow. He is also a 'gamer.' He performs when the pressure is on."

Ryan Kearney, senior, Livonia Churchill (310 hurdles): Kearney never lost a dual-meet races in a hurdles event this year.

He was a four-time participant in the state meet; he won regional titles in the 110 and 300 hurdles three straight seasons; he was fifth in 300 hurdles in 1997, second in high and fourth in intermediates in 1998. A pulled hamstring scratched him from finals at this year's meet.

Kearney, who has a full-ride scholarship to track at Western Michigan University, also ranked second in Observerland in the high jump and 200 dash, and he anchored the 800-meter relay team.

Ryan has been an unbelievable track and field talent ever since, coach Rick Austin said. "He has run every event we asked him to run to put us in a position to win a track meet. He is a very classy young man who comes from a terrific family."

"His competitive desire and work ethic is incredible, as evidenced by his performances in bigger meets. His best track and field years are ahead of him."

Nick Hall, junior, Farmington Harrison (300 hurdles): Hall had second-best time after Ryan Kearney in the 300 hurdles. He was best in the 110 (2:01.43) and was just a tenth of second of Kearney's best. His 40.3 placed 1.2 seconds behind Kearney in the 300.

Hall was the Oakland County and regional champion.

It was an absolute pleasure to coach Nick this year," coach John Reed said. "No one on the Hawk team worked harder, and all this work clearly paid off for him."

"We look forward to him having a great senior season."

Darryl Anglin, freshman, Redford Catholic Central (200): Burgess coach Eugene Thomas once held the world record in the 300-meter run (33.7 seconds) so he knows a thing or two about sprinters.

Anglin is one of the best he has coached at Burgess and, though he isn't a high jumper or pole vaulter, the sky is the limit.

Anglin placed in every major invitational Burgess entered. He was seventh at the state meet in the 100 (11.13) and helped the 400 relay finish fourth (44.08) and the 800 relay take third (1:31.15).

He had a personal best time of 10.7.
