I'M A SOMEONE

One of you is Jewish, that is not. Together, the two created a beautiful child. One of an age to begin religious education and you've got a decision to make. Listen to what some children of intermarriage have to say.

"I'm half and half and I'm fringes of things!"
"It's not like being Republican or Democrat. Every day, something arises that reminds I'm split."

Let your child grow up to be that special someone.

Make the connection... We're here for you.
