How Blessed We Are

Sometimes we do not realize how blessed we may be. We may not always get everything that we think we need, but if we examine our past, we may realize how good our heavenly Father has been to us.

The Lord takes care of His family even before we know Him as Lord and Savior, and even though He may not give us everything that we desire, He does supply all of our needs. We may never be fully satisfied with having all the material things that we believe we need, because it seems like the more we have, the more we want. We have a tendency to more often think of all the things that we don't have, rather than consider all of our blessings.

Recognizing God as our source and thanking Him for all the good things that happen to us reflects not only our gratitude, but our love for our Lord.

Every good gift and every perfect gift is from above...

K.J.V. James 1:17
