

Raiders among best teams in county

The North Farmington boys had the best finish of any Farmington team in the 40th Annual Oakland County cross country meet Saturday at Kensington Metropark.

The Raiders had their best team performance in years, finishing in seventh place and one behind Western Lakes Activities Association rival Walled Lake Central out of nearly 40 schools. "We're slowly but surely getting closer to them, which is important going into the last couple meets," North coach Paul Welch said.

The Raiders were led by Charlie Stamboulou, who was 13th with a 17:01 time. Ethan Goodman was 34th, Jimmy Lala 53rd, Matt Wiegand 71st and Mike Millat 74th.

"Charlie had a fairly good race," Welch said. "It wasn't one of his better races for the season, but he was competitive."

"Ethan Goodman ran a very good race and finished better than we expected, which is excellent going into the last few races. It was nice to see him drop his time like that, because Kensington is a pretty tough course."

"Jimmy Lala ran a good race, too. He's been helping us out a lot this year. Now it's time to go for the fourth, fifth and sixth guys to come down little farther."

"They're still too far back, and we need to get them down farther if they're going to be competitive at the end of the season."

Top runner: Valerie Burnisky led Mercy to a dual-meet win over Ladywood at Cass Benton Park on Tuesday.

MARLINUS RIVAL BLAZERS: Farmington Hills Mercy defeated rival Ladywood in girls cross country Tuesday, 19-36, and improved its record in Catholic League Central Division dual meets to 4-1.

The Marlinus (6-1 overall) had the top four runners with Valerie Burnisky (20:37), Sarah Polletta (20:55), Katherine Storch (21:57) and Anjum Ahmad (22:00).

Ladywood captured the next four places, but Mercy wrapped up the victory by filling four spots in the Nos. 9-13 positions.

Mercy's Katie Mason was ninth (22:54), Katie Hammer 11th (23:26), Andrea Milan 12th (23:35) and Patricia Konja 13th (24:02). Courtney Meyer was 15th (24:14).

The top seven runners for Ladywood were Jennifer Kotarska (22:05),

Stephanie Stachura (22:28), Anna Plagyn (22:41), Brittany O'Keefe (22:47), Stacey Schroeder (22:55), Stacey Swancut (24:10) and Michelle Taylor (24:30).

"I thought we did pretty well," Mercy coach Gary Servais said. "We had a good workout yesterday and came back to run well. The weather was great and that helped. Ladywood got out early, but we came back on top."

In the Oakland County meet Saturday, Polletta was 20th (20:43) and Burnisky 30th (21:04). Mercy was 16th.

"I thought our first two runs pretty good," Servais said, adding the Marlinus were missing Ahmad, who was taking the ACT test, and need to improve overall. "Hopefully, we'll get everybody back together again by the Catholic League meet."

FALCONS BEST GIRLS TEAM: Farmington High had the best finish among Farmington girls teams in the county meet. The Falcons, who were 13th, were led by Megan Annarino in 31st place and Kristin Ball in 32nd. Both had 21:07 times.

North Farmington's Heidi Frank was 21st (20:43). The Raiders were 50th but expected to do better, according to coach Bill Pinnell, who thought North should have been in the top 10.

"You can blame the coach for that one," he said, adding he probably wanted his team too hard during the week. The Raiders ran hills Tuesday and Thursday. "The girls looked kinda tired."

"But I think we'll see the results this week and next. We had a lot of good workouts, and I don't think the kids were quite recovered on Saturday."

"We have a much better team coming up, and that's what we're gearing toward."

Pinnell added the team goal was to finish in the top half of teams and accomplished that.
