

Wood Creek Farms

ANNE M. PHILLIPS, M.A. 4-439

The Women's Association's November meeting was held in the lovely new home of Ann Kors with more than 25 attending.

Grace Taylor and Dorothy Wheeler made the delicious coconut cream pies we enjoyed so much -- the nos + weight watchers perhaps more than those who feel they must watch calories.

One new member who came was Gloria Hutchison. She and her husband, John, and their three children moved into the home at 29174 Westmont Circle, formerly occupied by the Pressuses. John is a designer for Ford. The three children, one boy and two girls, swell our

marvelous group of young people. We want to extend a very warm welcome to them. Mae and Marj Wendling left here on Monday, Oct. 21, and drove to New Orleans for a very delightful vacation. They had beautiful weather. Mat enjoyed golfing, Marj relaxing and shopping. They returned home Oct. 30.

Lee Kay, with a nephew, left here Oct. 17 and drove up to the Keweenaw Peninsula to celebrate the 60th birthday of her oldest sister. It was a family affair of seven girls and three boys. One sister who lives nearby had the birthday dinner on Oct. 20 after which Lee and her nephew drove back home.

CLEANING THE STREAMS — Farmington Jaycees and Boy Scouts have started a project to clean debris from the Rouge River. Pete Hanson is in the foreground, while from left, Mike Schafer, Jaycee Norm Smith, Larry Root and Paul Schafer take a shopping cart from the stream. The workers hauled almost two dump trucks full of trash out of a section of the River between Grand River and Powers Rd. Items removed from the stream included shopping carts, a power lawn mower and a garbage disposal as well as many tires and bottles.

John and Bill say:

A CYNIC KNOWS THE PRICE OF EVERYTHING THE VALUE OF NOTHING

Keep us in mind — we're easy to find

This fall, head for a romantic FALL

He'll love the look of these long, luxuriant locks . . . and never guess they're not yours! Choose from our wide selection of falls made from the finest imported human hair.

QUESTION: My new wetted-wig is beautiful, but every time I wear it, I find a few hairs on my shoulders. Because it is so natural looking, everyone thinks I am losing my hair. My friends keep giving me remedies for baldness. Hope you can help.

ANSWER: It is very common for a new wetted wig to shed a few hairs. Wetting is made of cotton, which tightens up just as soon as it becomes sufficiently dampened. This usually occurs when you set the wig for the first time. As soon as the wetting tightens, the hair is then held firmly in place. Hope this solves your problem.

Open Evenings Wednesday, Thursday, Friday 'til 9 p.m.

Club To Meet

After a three-year recess, the Art Club at Farmington High School has been revived. Donna Greiner is its new president and Ray Glenn its advisor.

The group hopes to use its meetings to work on supplemental projects for which there is not enough time during class. These may include acrylic painting, welding, jewelry-making and many forms of sculpture.

Briar Hill NEWS

By FRANK MANN
Last July, young Janet Skrovan, of Old Bedford, wrote to President Eisenhower sending get-well wishes and also telling him that her grandfather and she shared the same birthday and also were the same age. In October, Janet was overjoyed to hear that her grandfather received a birthday card from the General with a personal message enclosed.

THE NOVEMBER meeting of the Briar Hill Book Club is Monday, Nov. 11, in the home of Nancy Puzsar, 34210 Ban-

bury. Coffee and dessert will be served at 8:30 p.m., followed by the meeting at 9 p.m. Afterward, there will be a discussion of the Book of Esther led by Mary Helen Farmington. Those unable to attend, please call the hostess. Already into their third month of bowling, the Briar Hill Men's Bowling League meets every Friday evening. High individual game score is 254, bowled by John Mitchell, high series by Joe Collins with 618 and top team is Detroit Sterling Hard-

JACKIE ROBINSON and Jim MacLeod share Nov. 6 as their birthday; Kim Sloane celebrates on Nov. 9 and very young Brian Bunker will have a cake on Nov. 10. AS FAR AS I KNOW, the youngsters behaved very well on Devil's night in Briar Hill. The weather was perfect for Beggars' night and they were out in force. The Betchells, of Old Bedford, had a recording of ghostly sounds piped outside and some of the youngsters stood at the end of the drive, trying to summon courage to go up to the door. And right in the midst of all the confusion, the Dorvill Robinsons had to take little Mary to the hospital because she fell and cut her forehead on the edge of a coffee table.

local news happenings

How do you describe a few days' vacation away from home when you have such a wonderful time and meet so many wonderful people? Mr. Long and I drove to Marshall, Mich., where we met friends and strangers who went out of their way to be nice to us. We visited The Honohala House Museum. Words fail to describe its beauty and design. It is one of the most unusual pieces of architecture to be found anywhere in the United States. It stands on the Fountain Circle in the center of town and is over 100 years old. It was built by Abner Pratt, a Justice of the early Michigan Supreme Court and United States Consul to Hawaii back in the 1850s under President Buchanan.

THE HONOLULU HOUSE Museum houses the Marshall Historical Society. I was taken on a tour of it by one of its members, Mrs. Bernice Jennings. It is full of beautiful antiques. A pair of lovely green jardiniere were given to the Historical Society by Movie Star Mary Pickford. They stand on the front porch. After leaving Marshall we drove up through the center of the state to the home of our son and family, Bill and Joan Long, to see our grandsons.

On our way home we stopped off at The Turkey Roost for one of their delicious turkey dinners. We met Farmingtonites Mr. and Mrs. Burgess at dinner. They were on their way north to their summer home. MRS. MYRTLE HAMILTON, of Pasadena, Calif., recently visited her daughter and husband, the Philip Thomas family, of Warner. Phil and Jean went as far as Chicago with Mrs. Hamilton on her trip home. Welcome back from the service to Walter Kotowski, who was stationed in Louisiana the past two years. Walter and his wife, Sharon, and daughter, Lana, reside on Northrop. Walter is a pharmacist at Barbas Drug store in Farmington Center. He was one of the original druggists when the store opened and is happy to be back in Farmington.

MR. AND MRS. JAMES L. SMITH, of Tuck, recently visited Smit's sister-in-law, Mrs. Harry Smith, who has been very ill in the hospital in Howmanville, Canada. While there, they stayed in the home of Mr. and Mrs. Charles Symons. Then they continued on to Toronto to visit friends Mr. and Mrs. Walker Barker. They also drove on to Guelph, Ont., to visit Mrs. Smith's brother and wife, Mr. and Mrs. Gordon Matthews. On their way home, they stopped by to visit their daughter, Mrs. Dorothy Bado, of Capac, Mich. Mr. and Mrs. Thomas Gibbs, of Wembley, Middlesex, England, recently visited their uncle, Walter Rogers, of Kirby. They were guests of Mr. and Mrs. Marks of Beck, Plymouth.

THE MOST IMPORTANT DISCOVERY YOUR CHILD CAN MAKE

Children are natural "discoverers." They love to learn about, and to use new ideas. They like to solve problems. They want action. This is why children love Christian Science. It involves action. It also involves discovery, the most important discovery of all: the nature of God and man's relationship to Him. In our Sunday School children learn how to search for Truth, and to find it; how to act on these discoveries, and to prove their worth. Your child will enjoy being with the "discoverers" in our Sunday School classes. They are welcome, any time.
