It's Not What's On The Outside That Counts

Quite a few years ago, while beginning work on the railroad during one summer vacation from high school, I was told to see the company doctor for the required physical. Going directly there, I told him that I had not had a chance to wash and clean up. The doctor said that he understood and that "it's not always what is on the outside of a person that matters." He gave me a minimal physical and sent me back to work.

That was probably the first time that I realized that we have a tendency to judge people by their physical appearances. Of course, it's important to be clean and neatly groomed and dressed, but we should be careful not to judge others only by their physical appearances. We are all children of God, and the Bible tells us that God judges us by what is in our hearts and not by our outward appearance.

... Man looks at the outward appearance, but I look at the heart.
