

GDBA meeting is chance to address needs of bowlers, leagues

TEEN-PIN ALLEY
By now, every league president within the scope of the Greater Detroit Bowling Association has received notification of the GDBA semi-annual meeting at 1 p.m. Sunday, Jan. 16, at Sunnyside Lanes, located at 17 Mile Road, west of Van Dyke in Sterling Heights. It is easily accessed by I-696.

Every league should be represented by at least one of its officers.

On the agenda is a review of 1998-99 expenditures and nominations for directors and officers (of the GDBA Board of Directors).

This is your opportunity to have a voice in the affairs of your organization. The GDBA is in place to serve the needs of the bowlers and their leagues. If you are having problems, this is the time to help get them resolved.

It is soon to be new contract time. Before you and your league officers sign, make sure that you know what your bowling center is asking of you and your league, as well as what your league is asking of the Bowling Center.

The contract is a legal document and a commitment on behalf of all parties. It is hoped that officers will honor their trust with your league and take an active interest in the future activities of the local associations, whether it is GDBA, Wayne-Westland or any others in this area.

Your association will be attending the American Bowling Congress national meeting in Albuquerque, N.M., and this is also another way of serving the needs of the 70,000 plus members in the Detroit area.

The game began at 10:48 a.m.

The score was submitted to ABC headquarters in Wisconsin,

as this is a nationwide contest.

The winners will be announced here soon. His series was 212-300-172 for a 684.
