Shamrocks, Marlins win division championships

PREP SKIING

The Redford Catholic Central and Farmington Hills Mercy ski teams, both coached by Tom Gable, put a fine finish to a nice regular season by winning the Mt. Brighton Division. Catholic Central totaled 26 points to win the divisional slalom at Mt. Brighton on Thursday, then skied to a first-place finish in the giant slalom with 23 points to capture the top spot in division and advance to the Southeast Michigan Ski League championships at 9 a.m. Thursday, Feb. 10, at Mt. Holly.

The Shamrocks put their two points for the division championships with their 11 points in regular season action to finish first overall by four points over Okemos. Brighton was third with 25 points.

Farmington Mercy scored 44 in the morning slalom runs to finish first, then came back in the afternoon giant slalom to finish on top with 33 points.

The Mt. Brighton Division meet championship gave the Marlins 17 points overall and put them second by two points in the final first-run standings to Brighton. Okemos had 23 points for third place.

All three top teams advanced to the Feb. 10 SEMSL championships at Mt. Holly.

The Catholic Central guys had been trailing Okemos most of the season," Gable said. "They had set up this shootout for the championship and came out real strong, focused on their goals."

"Catholic Central hadn't placed higher than third in the

down the stretch, but not quite enough for Farmington Hills Mercy to erase the distance between the two.

"We closed the gap from five points to two for the division lead," Gable said, "and earned a well-deserved runnerup trophy. The girls came out of nowhere and proved they could ski well."

"I think they've finally removed that label of being a 'rebuilding team' to being a team that's going to accept some of the challenges they're going to face in the next couple of weeks."

The Marlins skied to a three-point victory over Okemos in the morning slalom runs.

Junior Nikki Anderson bundled her two runs around the 20-second mark for a 40.18 total that placed her fourth. Amy McDuffee was seventh with runs combining at 41.57. Laura Barker was one place back at 41.72. Marcy Godlew placed 25th with a 49.05.

"Anderson came out flying in the afternoon and finished second," Gable said. His Mercy skiers finished 55 points and were beat out by Brighton (33) and Birmingham Seaholm (48) in the afternoon runs.

Anderson punched out a 32.23 for her two giant slalom runs and was second to Brighton's Dawn Harrison, who had 31.54. McDuffee was 11th with a combined time of 35.10. Burck 13th at 35.27 and Melissa Desautel skied at 39.11 for 35th place and Dana Lyons' 42.01 placed her 47th.

COACH'S COMMENT

Farmington coach Al Bard said, "It was a wonderful match. The difference between this week and last week is we didn't give up as many falls last week as we did this week (14 vs. 25 wins). We were pinned three times last week and four this week. Plus make the difference."
