WHERE CAN I FIND?

This interactive feature is dedicated to helping readers locate merchandise that's difficult to find through reader feedback. If you've seen or are looking for an item, call (248) 901-2555 and leave a message with your name and phone number. We publish readers' requests for merchandise twice. If you don't hear from us or see information about the item within a few weeks, we were unable to locate it. When we find an item owned by another reader, rather than for sale at a store, we will call you. But, please, be patient; we handle an overwhelming number of requests each week.

Bath store comes to Birmingham

Another unique, upscale retailer is coming to Birmingham.

Waterworks, a retailer of limited-production bath fixtures, tile and stone, opens its first Michigan location, at 241 Merrill Street, this month.

The store will offer products made in small factories and artisans' studios that use original production techniques.

The Waterworks bath collection features turn-of-the-century fittings from independent European ateliers, archetypal cast-iron-finish soaking tubs, high-density acrylic tubs and a line of accessories the retailer has dubbed "jewelry for the bathroom."

The tile collection focuses on classic handmade materials with organic elements, historical reproductions, pure art tile, and the store's original Cottage Tile Series.
