Goalie of the Month

Compuware Ambassadors goalie Craig Kowalski was named North American Hockey League Goalie of the Month after stopping 92 of 98 shots (.958 save percentage) in regulation play in three games, posting a 2-1 record.

Kowalski, who will attend Northern Michigan University in the fall, earned his fourth shutout of the season last Saturday with a 3-0 blanking of the Soo Kewadin Casino Indians.

For the season, Kowalski has posted a 26-10-3 record with a 2.41 goals-against average and a .922 save percentage in a league-high 40 appearances.

It was the second time he was the NAHL Goalie of the Month.

Raiders win Western Lakes title

North Farmington won its first Western Lakes playoff title in boys basketball since 1988 with a 67-61 win over Plymouth Salem Wednesday.

Phil Watha has never been shy about shooting the three-point shot, and the same can be said of teammate Brian Shulman following his performance Wednesday.

The senior guards made eight of their team's 10 triples to lead North Farmington to the Western Lakes Activities Association tournament championship in boys basketball with a 67-61 victory over Plymouth Salem.

Watha and Shulman combined for 43 points in the Livonia Churchill gym and more than offset a 30-point effort by Salem senior center Matt McCaffrey, who made 11 of 16 floor shots and eight of 11 free throws.

Their perimeter scoring was especially timely since the Rocks double teamed North center Emir Medunjanin and the Raiders (16-5) were minus injured post player Adrian Bridges.

Shulman made five triples and Watha three; however, Watha finished with 26 points to lead North while Shulman ended with 17.

"It's hard to defend the three and defend Emir inside, too," Salem coach Bob Brodin said. "We knew Watha could shoot the ball, but Shulman hurt us."

"It just kinda happened," North coach Tom Negoshian said. "They took Emir away, and Shulman and Watha know they have the green light any time their feet are set."

"If they're going to collapse on Emir and without Adrian, basically, we were four out and one in offensively; so it wasn't that big a surprise."

Shulman and Watha made early threes for the Raiders, who then went into a first-half shooting slump while the Rocks went on an 11-0 run for a 13-6 lead.

Salem held the momentum and the lead for much of the first half. North was 4-of-17 shooting in the first quarter, missing seven threes.

"We were way too quick on offense," Negoshian said. "It was the same thing on defense. Everyone wanted to steal the first pass."

"Part of it was we hit our first two threes, and we thought everything was going to go in. We talked about how good we're supposed to be defensively, and then we stepped it up."

The Raiders scored the last eight points of the half (five

Farmington knocks off RU; top-ranked CC next hurdle

Flying high: Goalie Logan McLean begins the post-game celebration after the Flyers upset Redford Unified, 4-3.

The buzz at Redford Ice Arena Monday night was not about any of the games played that night, but of tonight's potential matchup between top-ranked Redford Catholic Central and No. 4 Redford Unified.

Farmington Unified didn't get the message, however.

The Flyers spoiled the anticipated battle with a 4-2 upset of RU, moving into tonight's Division I district semifinal against the Shamrocks.

"I don't think we looked ahead," RU coach Pete Mazzoni said. "After losing (to U-D'Jesusit Saturday), the kids came in focused. Give them credit. We took a ton of shots and had a ton of chances, and they stopped us."

Farmington didn't miss its biggest chance, and that proved to be the difference.

With nearly everyone else up the ice, senior forward Ross Patterson stripped a RU player of the puck at the Redford blue line. Patterson skated in three strides, then fired from the center of the right circle past RU goalie Eric Fagot to give the Flyers a 3-2 lead with 8:54 gone in the second period.

"We settled down in the second period, and that was the difference," said Farmington coach Glenn Breuhan after his team improved to 17-7-1. "We were nervous in the first period and were kind of tentative to the puck. After that, we relaxed and settled down."

RU (22-2-1) made everyone on both sides nervous in the third period with 11 constant pressure. RU didn't let the puck out of its end and had several scoring chances. But Farmington goalie Logan McLean stayed cool and stopped Redford at every turn.

"It wasn't just me. Our defense
