Read The Instructions
Last year we had a new furnace installed in our home and I recently wanted to reset my thermostat. With the help of the sixty page instruction book I proceeded to try to figure out the eighteen buttons on our new thermostat. Finally, after about an hour, I was able to change our thermostat setting. It seems that life is becoming more complicated, and it is really difficult to understand all of the numerous complex devices that are part of our daily lives. One thing that should not be complicated or difficult to understand is our relationship with God. Our Lord's instruction book, the Bible, hasn't changed in thousands of years, and His instructions are clear and easy to follow. The Bible gives us many examples and prophecies, and reflects to us the past and tells us what to expect in the future. The Good News of the Bible is that it not only shows us our Savior, but it tells us how we should live our lives for God's glory.
But these are written, that ye might believe that Jesus is the Christ, the Son of God; and believing ye might have life through His name.
K.J.V. John 21:21
