State meet is last big test

SWIMMING

North Farmington will send three individuals and all three relays to the Class A finals in boys swimming and diving.

Senior Devin Hopper of the Farmington-Harrison unified team is scheduled to swim two solo events and anchor a relay.

The competition begins at noon Friday and Saturday at Eastern Michigan University in Ypsilanti.

North junior Adam Farber, who has the area's best time in the breaststroke, qualified in that event and the butterfly.

Senior Brandon DiGia is entered in the 200 and 100 freestyle races, and senior Jim Gabriel plans to swim the backstroke.

"I really think there's a possibility (of all three placing in the top 12)," North coach Pat Duthie said. "Farber is the Oakland County champion. If he swims well, I think he has an outstanding chance to score in the breaststroke.

"The other kids, too. If the emotions are right for them and they have some good performances, I think they'll do well."

The Raiders did well in the relays at the Western Lakes Activities Association meet, and the same foursomes will compete at state.

The medley team consists of Gabriel, senior Jon Zald, Farber and senior Chris Clayson. DiGia is the lead swimmer in both freestyle relays followed by Clayson, Zald and Farber in the 200, junior Craig Paske, sophomore Sermet Alver and Gabriel in the 400.

"If we swim well, I think we stand a pretty good chance of scoring, but it's the state meet and they're usually always pretty good," Duthie said.

"I think we stand a chance if we duplicate some times. The medley time would've scored last year. Obviously, we have to be able to go that fast or faster, so it's going to be interesting."

Hopper qualified in the backstroke last year but didn't score. Phoenix co-coach Ross Bandy is more optimistic this time.

"He's obviously swimming better," he said. "He had a great league meet. That (1:48.83) was his personal best by over five seconds. Hopefully, he's going to go out his senior year swimming very well."

Hopper will anchor the 200 freestyle relay that includes senior Dan Price, senior Max Suttles and sophomore Mark Benivegna. They qualified at 1:31.86 in the WLAA prelims.

"We just made the cut," Bandy said. "Things looked pretty weak this year at the Oakland County meet and all over the state, but our league really swam well. Anything can happen. It's a matter of putting a swim together."

Catholic Central qualifiers are Ed Lesnau, 50 freestyle; Brett Meconis and Bryant Steele, butterfly; and Chris LaFond, breaststroke. CC also qualified in the medley and 200 freestyle relays.

LEGAL NOTICE
PUBLIC NOTICE
CITY OF FARMINGTON HILLS
Community Development Block Grant Program
Program Year 2000/2001

The U.S. Department of Housing and Urban Development has advised the City of Farmington Hills that it is entitled to receive $413,000 for the 2000/2001 Community Development Block Grant Program Year. These funds have been authorized by the U.S. Department of Housing and Urban Development under Title 1 of the Housing and Community Development Act of 1974 and 1977, as amended. In addition, the Housing Rehabilitation Program will receive an estimated $80,000 in program income from the Housing Rehabilitation activities and a $135,000 carry over from Capital Improvements and the Rehabilitation Program. Notice is hereby given that on Monday, March 20, 2000, at 7:30 p.m. Eastern Standard Time, in the Council Chambers of the City Hall, 31555 Eleven Mile Road, City of Farmington Hills, Oakland County, Michigan, at which time and place the Farmington Hills City Council will conduct a Public Hearing to discuss the Five Year Consolidated Plan and the proposed use of Community Development Block Grant funds (Action Plan: One Year Use of Funds).

The purpose of the Consolidated Plan is to inventory the Housing and Community Development needs of low- and moderate-income persons in Farmington Hills. The plan will then be used to guide decision making in the distribution of federal grant funds received by the City. Included in the plan will be a Five Year Strategic Plan and the proposed use of the City's annual community Development Block Grant Funds.

In summary, the Five Year Strategic Plan has identified the following priority of housing needs:

1. Housing Rehabilitation - to maintain existing housing stock
2. Affordable Senior Citizen housing
3. Rental subsidy program
4. First-time home buyer programs

The proposed statement of Community Development Objectives and Project Use of Funds for the 2000/2001 CDBG Program year is as follows:

PROPOSED STATEMENT OF COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM 2000/2001 City of Farmington Hills

The City of Farmington Hills has considered the various eligible projects which may be undertaken with Community Development Block Grant (CDBG) funds. These activities range from construction of sidewalks, storm/sanitary sewers, waterlines, and street paving to public services, code enforcement, historic preservation, etc. After careful evaluation of these projects, it has been determined that the highest priority of needs for low and moderate income areas in the community would be achieved through the following expenditure of CDBG funds:

Activity	
Housing Rehabilitation	$238,000
Capital Improvements	310,000
Administration	80,000
Total:	$628,000*

*Includes program income ($80,000) and carry over from completed projects and housing rehabilitation ($135,000).

Capital improvement projects recommended for consideration include:

• San Sousi Drain Improvements (Section 25)	$60,000
• Spring Valley Drain Improvements (Section 25)	$100,000
• Eight Mile R.O.W. Improvements (Section 35 and 36)	$50,000
• Inkster sidewalks (Section 36)	$100,000
Total:	$310,000

It is recommended, that an opportunity for public discussion should be given on these projects, and other possible projects.

All projects proposed with the use of the 2000/2001 CDBG funds, as noted above, will benefit low and moderate income areas or persons defined in the 1990 U.S. Census.

All CDBG activities have been designed to avoid the displacement of persons. In the event displacement becomes necessary, the city will assist displaced persons in accordance with the Federal Uniform Relocation Act.

The 1999/2000 CDBG Program, the Final Statement of Community Development Objectives and Projected Use of Funds for 1999/2000 Program Year, included the above distribution of funds. It is anticipated that on June 30, 2000 the end of the Program Year, the status of the expenditures will be as follows:

HOUSING REHABILITATION:	ONGOING (Approximately $200,000 will be expended for rehabilitation activities.)
CAPITAL IMPROVEMENTS:	Cora/Haynes/Astor Street Paving - Complete (Cost: $320,000)
	Moran Storm Strain - under construction (Estimated cost: $65,000)
	Grand River R.O.W. Improvements Phase III - completed (ESTIMATED COST: $230,000)
	North Ravine Storm Strain - under construction (Estimated Cost: $80,000)
ADMINISTRATION:	100% EXPENDED ($80,000)

Also, no persons will be displaced by the above activities.

The public is invited to comment on the Consolidated Plan, the proposed use of Block Grant funds and the City's participation in the Community Development Block Grant Program. If representatives of your organization are hearing-impaired or non-English speaking, please contact the Community Development Office, so proper CDBG Program may be obtained at the City of Farmington hills, Community Development Office, 31555 West Eleven Mile Road or by calling (248) 473-9541. For the hearing impaired call the Farmington Hills TDD number at (248) 473-9583.
