

## Your Lifestyle Never Retires, So Why Should Your Hearing??

Hearing aids have been around for a long time, over a century in fact. Presently, there are over 100 different manufacturers of hearing aids across the United States. Cruz Hearing Aid Service has been in business for nine years, and the staff has over twenty years of experience in the hearing aid industry. Felix Cruz and son Joshua, co-owners of Cruz Hearing Aid Service, are here to help you and your loved ones.

Hearing aid users sometimes find difficulties when they first get their hearing aid. Whether it be putting the aid in their ear or adjusting it correctly, there just seems to be problems. While these problems occur on a common basis, they can easily be corrected with the proper guidance and knowledge. Unfortunately for too many people the hearing aids only sit in a drawer and collect dust. "You should be as comfortable with your hearing aids as you are tying your shoes," says Joshua Cruz.

Cruz Hearing Aid Service offers in-depth hearing evaluations and discusses the needs of your lifestyle, so that you will get the appropriate hearing aid. Every hearing aid is custom-fit, specifically for the user. "All hearing aids are not created equal," states Felix Cruz. "It is actually like comparing apples to kangaroos," adds Joshua.

Cruz Hearing Aid Service carries a wide selection of hearing aids. Along with conventional aids, they offer completely-in-the-ear aids (which are almost unnoticeable at any angle) and the newest digital technology (which processes and adjusts 1000 signals per second). Cruz Hearing Aid Service has assisted listening devices such as amplified telephones and TV enhancers in stock, along with all sizes of hearing aid batteries. Customized swim plugs, musician plugs, and noise plugs are also available.

Cruz Hearing Aid Service is located at 18899 W. 12 Mile Rd. in Lathrup Village.

## Real Furniture from Real People

They just don't make 'em like this anymore. Never was this more true than when you step into Amish Reflections. This is the real thing, no question. This unique store carries only handcrafted items made by an Amish community in Ohio. Lanis and George Swaney, and Mark and Kim Butcher, the store's owners, work very closely with the community that provides the items in their store, and in respect for the community's privacy, will not reveal the exact location of it. The store, though, is much more accessible. It is located in Midland at 704 S. Saginaw.

Unlike any other store, Amish Reflections' 5000 square feet contain absolutely nothing that has been machine wrought. Each and every item was crafted from real wood. Veneer, laminate and plywood have no place here; only solid oak and cherry, and some walnut and maple. Each piece was hand tooled in the Amish tradition and Vankote finished for a very hard, durable finish that can withstand both daily use and the test of time. Mrs. Swaney says of the furnishings that "you can leave something wet on a table for 24 hours without damaging the piece."

Amish Reflections' heirloom quality furniture lines include dining and kitchen tables, entertainment centers, desks, bedroom and living room suites, occasional tables, jelly cupboards, and even an upholstered line. Many pieces can be customized, too. For instance, a very wide variety of sizes, shapes, or stain colors can be chosen for tables. But that's just the furniture.

Amish Reflections also carries an assortment of small Amish handcrafts. Pictures, dried and silk flower arrangements, baskets, candles and other items also carry on the Amish tradition. The store even has a line of hand forge wrought iron pieces, although it is not made by Amish.

The Swaney and Butcher personally pick up the furnishings that stock the store, right from the craftsmen, to leave nothing to chance. They will also personally deliver anywhere in Michigan, but must ship elsewhere in the U.S. The store is open Monday and Thursday from 10 a.m. - 8 p.m.; Tuesday, Wednesday, and Friday, from 10 a.m. - 6 p.m.; and Saturday 10 a.m. - 5 p.m. Amish Reflections can be reached by phone at (517) 835-3253.
