

# Two armed gunmen rob new Krispy Kreme shop

Two men were expected to be charged last weekend in the armed holdup Friday morning of the Krispy Kreme doughnut shop on Grand River.

One suspect was arrested in Detroit after the suspected getaway car crashed on I-96 and the two men in it ran away, said Lt. Ben McDermott, Livonia Police Department spokesman. The suspects were pursued by Redford Township officers.

Police found two pistols, a 9-mm semiautomatic and .38 caliber revolver, in the car, a 1995 Eagle Vision, police said. Nearly \$400 was also recovered when an

officer involved in the foot chase saw a suspect take it from his pockets and put it in a yard on Chapel south of the freeway, police said.

Another man escaped on foot, but investigators know his identity and expected to arrest him soon, McDermott said Friday.

The second arrest came when police became suspicious of an ex-Krispy Kreme employee who was present during the robbery.

**Two gunmen, both wearing surgical masks and one wearing a ski mask as well, burst in minutes later, witnesses said. They ordered employees to the floor, and one went to the manager's office and demanded cash.**

The man had knocked on a window shortly after midnight, and asked a worker to let him in so he could pick up his last paycheck, a witness told police.

surgical masks and one wearing a ski mask as well, burst in minutes later, witnesses said. They ordered employees to the floor, and one went to the manager's office and demanded cash.

The man escaped with the money in a black plastic garbage bag and a black wastebasket, police said.

Police were helped by a witness living on St. Francis, just south of the doughnut shop. He was taking out his trash, he told police, when he saw two masked people, one of whom was carrying a black bag, running through the shop's parking lot, then down his street. They stopped when they saw they were being watched, then started running again, he said.

They got into a car and drove east on Long, the man told police. He was able to describe the car.

## Clarenceville candidates file for seats

Two candidates — an incumbent and a newcomer — have filed to run for two open seats in the Clarenceville Board of Education election June 12.

The 4.5-square-mile Clarenceville district includes parts of Livonia, Redford and Farmington Hills.

Trustee Bryan Bentley is seeking re-election while newcomer Jenifer Carboneau is making her first run. Monday was the filing deadline.

Bentley, who was elected in 1998, is vying for one of two four-year terms. Trustee Tom Aldrich, whose term also expires this June, is not seeking re-election.

Bentley is an independent distributor for Little Debbie snack cakes and has two children attending Botsford Elementary and one at Clarenceville Middle School. He is secretary of the Clarenceville board.

Carboneau is a parent volunteer and is active in the Botsford PTO. She works as an office manager for Top Notch Tree Service.

She served on the district task force on the sinking fund/bond proposal last year and initiated a successful petition drive for a sidewalk at Botsford School.

Carboneau also led the effort to get a four-way stop at her children's bus stop.
