

# Area bowling team sets U.S. women's record

AL HARRISON

Another piece of bowling history was re-written April 10 as the Turbo 2-3 Grips/Remorica team in the Bowlerettes League at Cloverlanes in Livonia has topped the previous record for a high-team series.

They eclipsed the previous U.S. women's record set in 1997-98 by Contour Power Grips squad, which had been the highest ever in WIBC.

The bowlers and scores are shown in the order of their record-breaking lineup: 1. Erica Mickowski, 218-280-260/764; 2. Lisa McCurdy, 287-246-300/813; 3. Michelle Ewald, 187-250-218/659; 4. Novella White, 245-235-213/693; 5. Shelley Zarick, 217-198-213/628.

The previous women's record was 3,652 by Alita Bill's Contour Power Grips team, and when these totals are added up, it comes out to 3,652.

"The Greater Detroit Open on Pro Bowlers Tour will be missing in action this year.

It has been an annual stop the past 15 years at Taylor Lanes and has brought some pro bowling excitement to the Detroit area every year.

One element in particular that will be missed is the Pro-Am segment. Bowlers have come from near and far to be able to bowl with the famous professional bowlers, win cash prizes, and take advantage of the new ball offered each year.

The network ESP and the PBA, along with Taylor Lanes, could not get together on the scheduling, mainly because the World Series will be on that channel while the tour stop is going on.

This year will just be a void in

the schedule, but Adeline and Alan DiBiasi of Taylor Lanes have been reassured by the PBA that they will resume the Greater Detroit Open again next year.

The Ladies All-Star Bowlerettes at Cloverlanes is seeking to build up to a superior league next season, now that they have gained some major sponsors in Miller Brewing and The All-Star Grille.

That adds up to more money for the prize fund. Any of the good female scratch bowlers out there who can compete at a high or level should contact the league through Cloverlanes to secure a spot for next season.

The last game of the last day of the season in the Wayne Westland Youth Travel Classic Sunday at Cloverlanes in Livonia became a memorable event for 15-year-old Bill Collins of Garden City.

Bill's first two games were 289 and 225, then for a grand finale,

he rolled a 300. His 794 series elevated his season average to 208.

A right-hander, Bill was using a Brunswick Speed Zone, which obviously was the right ball for Cloverlanes on that day.

Two weeks earlier, 16-year-old Luke Watkins who comes in from Pinckney to bowl in the

WYTC rang up a nice 814 series at Plaza Lanes in Plymouth.

The right-hander rolled games of 279-257-238. The league had a totally outstanding season, with a lot of new younger talent in the mix.

I had previously mentioned an upcoming story about Pam

Jones of Livonia, an All-Star Bowler and a judge of rabbit shows.

Pam has to juggle her weekends between rabbit shows and bowling tournaments.

With the Easter holiday coming up, it seemed like the proper time to do the story. Look for it elsewhere in today's edition.
