

Falcons find offense in 5-1 win

The Farmington High girls soccer team found the additional offense it was seeking Monday.

Captain Steve Montgomery made some adjustments to the lineup, and the Falcons responded with five goals in a 5-1 win over host Walled Lake Central.

Beth Kelacki, who gave Farmington a 1-0 halftime lead, scored three goals. Lorraine DeDomenico had one on a corner kick, and Melissa Smart scored another with an assist from Kelly Lewis.

Montgomery moved Kelacki from outside midfield to forward along with Stephanie Arnold and Erica Rose.

"We moved some people around and tried to get a little scoring," he said. "They were able to move the ball and get some good shots."

"In the first four minutes, we had some really good shots. You could see right away our offense was picking up."

"We didn't have that many goals at first. But we knew, if we were patient, eventually we would get some scores, and it started to happen."

Smart made her first varsity start at right outside midfielder and had an outstanding game,

were Ashley Lynch, Michelle Boothroyd, Ali Edwards, Jackie Tate and Joyce Chang.

Lauren and Kelly Hogan had terrific games in the midfield, he added.

"They controlled the midfield at times and played very aggressively," Russell said. "Nicole Adams at forward did a great job of pressuring their defense and coming back to help with our defense."

"It's great that we're playing with these teams this year. We looking forward to great things the second half of the season after going 8-3 the first half."

On Saturday, Meghan Callahan scored the only goal in North's 1-0 win over Berkley. She scored in the second half off a feed from Kelly Hogan.

Shortly thereafter, Callahan sprained a knee after being fouled by a Berkley player. Also missing from the North lineup were Jenna Street, Nina Rizzo, Lisa Bernhardt, Bertigella, and, after halftime, Edwards.

Despite playing much of the second half without many players, we put a great deal of pressure on the Berkley defense, while allowing no shots on (goalkeeper) Anna Muir," Russell said. "Again, the amazing thing is that we had no games while playing without key players all year."

He added the defense played a big role in the win and was anchored by three underclassmen: Boothroyd, Nurit Goldberg and Lynch.

"Boothroyd and Lynch, both fresh-

man, have been amazing this year," Russell said. "They play very wisely and aggressively. Goldenberg stepped up to fill in for missing starters and performed extremely well."

In addition, Amanda Park played very well at center midfield. Berkley generated very little offense against this outstanding unit."

MERCY 2, REGINA 1: The host Marlin won their third straight in the Catholic League and improved to 5-1 in the Central Division Tuesday.

Angie Trudeau and Sumbal Ahmad scored goals for Mercy (2-2-1), and Susie Robie and Sarah Moore had assists.

Regina scored a late, first-half goal to make the halftime score 2-1. Kristin Piniotti made six saves in goal for the Marlin.

STEVENSON 20, HARRISON 0: Dana White and Megan Urbach each scored hat-tricks Monday, leading Livonia Stevenson (5-0-1) to the Western Lakes Activities Association crossover playoffs.

Danielle Lewis contributed two goals for the Spartans. Andrew Sied contributed a goal and three assists, while Lindsay Guelick had a goal and one assist.

"We've been working on finishing our plays since the Canton game," Stevenson coach Jim Kimble said. "We were really buzzing around the net. It was a good night for us from that standpoint."

posted a 325 and that was after dropping an 86 score.

Borwick tied for first place Monday with Grassie Hill's Sarah Martin and Kelly Smith, who won a playoff to claim top honors. All three shot 74 in regulation play. Borwick tied for eighth Saturday with an 85.

Mercy's Lyndee Danamora and Celinea shot 90 and Foster 92 Saturday. On Monday, Maureen McFawn had an 87, Foster 93 and Danamora 95.

"I don't think we played all that bad in the long run," Kowalski said. "What's kinda shocking is that we came in 18th both days. We have to get a lot better to pass Traverse City and Grand Blanc."

"I still think we'll be the favorite at our regional. But, if we want to win the state again, we have to make some big improvement, and we're going to be doing a lot of playing when we get back to school on May 1."

Mercy's other low scorers were senior LaTanya Foster (94), junior Katie Dinamore (95) and freshman Christina Cibrario (102).

TOURNAMENT RESULTS: The Marlin, the defending Division I state champions, are finding out who their top challengers around the state will be later in the season.

Mercy shot good scores Saturday (357 in the East Lansing Tournament) and 349 Monday (in the Brighton Invitational) and finished fifth both days.

Traverse City Central won Saturday with a 340 team score, and Grand Blanc "shot the lights out" Monday, according to Kowalski. The Bobcats
