Member FDIC. *The Annual Percentage Yield (APY) for Premier Money Market Accounts are current as of 5/24/00. The APYs for this account are 5.58% for balances of \$25,000 or more, 5.17% for balances of \$10,000 to \$24,999.99, and 5.00% for balances of \$1 to \$9,999.99. For balances of \$1 to \$9,999.99 the interest rate and APY may change on any date at our discretion without notice to you. For balances of \$10,000 or more, the interest rate and APY will change automatically without notice to you on each Wednesday. Each such day is a "Rate Change Day." The rate we use for the new period on each Rate Change Day will be the "higher equivalent" rate of the most recent immediately prior 13 Week Treasury Bill auction. This is the "Treasury Rate." For balances of \$10,000 to \$24,999.99, the new interest rate is the rate that produces an APY of 5% based upon the current 13 Week Rate. For balances of \$25,000 or more, the new interest rate is the rate that produces an APY of 4% based upon the current 13 Week Rate. The new interest rate will be in effect until the next Rate Change Day. Interest is compounded monthly. Fees could reduce the earnings on the account. The minimum deposit to open a Premier Money Market Account is \$1,000. We reserve the right to limit acceptance of deposits to greater than \$10,000. **Minimum balance to open and obtain Annual Percentage Yield (APY) for CDs is \$10,000 (\$2,000 for IRA CDs). A penalty will be assessed for early withdrawal. For personal accounts of less than \$10,000, fees could reduce earnings on the account. APY is accurate as of 5/24/00 and subject to change without notice.
