

WHERE CAN I FIND?

This interactive feature is dedicated to helping readers locate merchandise that's difficult to find through reader feedback. If you've seen or are looking for an item, call (248) 901-2555 and leave a message with your name and phone number. We publish readers' requests for merchandise twice. If you don't hear from us of see information about the item within a few weeks, we were unable to locate it. When we find an item owned by another reader, rather than for sale at a store, we will call you. But, please, be patient; we handle an overwhelming number of requests each week.
