Time is a funny thing! You know it's present, though it cannot be touched or seen. Time, for one person, means a different thing than it does for another. Time, although it does not actually cost, is costly and you must spend it wisely. It's that hour and 20 minutes in line to vote on Nov. 5 that got me thinking about time. There are no complaints about the time spent, for I received more for my time than I could have received anywhere else. What may have seemed like only several minutes to me. Responsible for making the long voting line a wonderful experience was a man, who at the age of 78 is a most delightful and learned man. Since he was voting in the same precinct, he is an area neighbor. David R. McLellan is his name and he lives on Playview Ct. A verbal gift by Mr.

McLellan of "You're very well built mentally" touched me very much. MARY MANTZ, sister of Mrs. Rose Arvidson, of Quail Hollow, has arrived from St. Petersburg, Fla. for a week. A visit with her sister and family was one of the reasons. The other reason was to attend a retirement party for a friend. We asked Mrs. Arvidson if they served any of that antelope that Mr. Arvidson acquired on his hunting trip out West and she replied "check no." But Mrs. Arvidson did mellow a bit on the antelope game as food. She does like the antelope chops.

Parents Plan Fete

The Parents Club of Our Lady of Mercy High School will host its annual Gourmet Dinner Nov. 17 in Vladimir's Restaurant, 14335 Livernois, Detroit. The public is invited to attend. Preceding dinner, which is from 6 to 8 p.m., cocktails

held a victory dinner party in the home of Mr. and Mrs. Jack Elliott, of Leamington, last Friday evening. After dinner, they shared dessert, a decorated sheet cake. The large decorated cookie elephant stood up proudly in the middle of the cake as if he was the one who had thought of having "It's a Republican Year" written as the main decoration on the cake. Enjoying fun, games and some political discussion were President Dennis Davenport, Jim Davenport, Bruce Knight, Ed Elliott, April Garbin, Tom Achtenberg, Sandy McCormick, Maryann Julian, Ann Farth, Mark Farth, Debbie Miller, Gerr Bowers, Jan Sundberg, Chuck Dumas, Mary Hatfield and Julie Graham.

will be served at 5 p.m. Music for dancing will be provided by the Phil Cole orchestra. Tickets at \$5 per person may be obtained by mailing a check to Our Lady of Mercy Parents Club, 29300 N. 11 Mile, Farmington, 48024, or by calling 474-8775.

To Survey On Voting Habits

Census Bureau interviewers will survey six to 12 Farmington households the week of Nov. 18 for information on voter participation. Surveyed households will be asked if they are registered, if they voted, if they cast a vote

for president, if something prevented them from voting in 1968 and if they voted in the 1964 presidential election. No questions will be asked about party or candidates and all information is confidential, to be used only for statistical purposes only. Answers will provide a statistical analysis of the voting habits of persons of voting age.

Armenian Debs Bow At Ball

Three young women from this area were presented to Armenian-American society Saturday, Nov. 9, at the third biennial Coiffure Ball of the Armenian General Benevolent Union. Sixteen debs in all made their bows in the dance at the Armenian Cultural Building. The orchestra of Doc Djerkiss furnished the music. Following the dance, Mr. and Mrs. Jack Kaviakian, of Farmington, gave a party for their daughter, Joana, one of the local debutantes. The others are Nancy Godoshian, of Farmington, and Joy Hoplamazian, of Livonia.

How long would your family last on \$25,000? Five years maybe? Then what?

Invested at 6% with a monthly drawing account of \$500, it would last just under 4 years and 10 months. Now ask yourself this question. How long could your wife and children live on your estate? Would there be enough money to ensure a mortgage-free home? For your children to grow on? And how about their education? In other words, enough to ensure your family security as long as it's needed. These important questions need expert help to answer. That's why Manufacturers Life has developed a special Financial Planning Service.

Here's how it works. Through the Manufacturers Life Representative, the service focuses on you and your family, your present situation and your objectives. It cuts out all guesswork and generalities. For example, it will help you determine 1. exactly what you want your estate to do, 2. whether your present estate is sufficient and 3. if not, it will suggest the next step towards achieving your goals. As part of this service the Manufacturers Life Representative will plot your individual Security Graph—the clearest way we know of to show you how you stand. Why not get in touch with the well-informed professional from Manufacturers Life. You will find him a competent adviser who will respect your confidence and understand your problems.
