Thomas D. Jusino D.D.S., M.S.

"Braces Make Beautiful Faces"

Keep smiling with a visit to the office of Dr. Thomas D. Jusino, where they specialize in orthodontic care for children and adults. Dr. Jusino has been practicing orthodontics and dedicated to helping patients enjoy long term success in their dental comfort, appearance and function.

Creating beautiful smiles is what orthodontics is all about. Today orthodontic treatment is simple, convenient and affordable. For years, braces were thought of as something only used on children. With the improvements in orthodontic care made over the years, many adults are now discovering that they do not have to live with a bad bite or crooked teeth. An improved, healthy smile at any age is a definite boost to one's self-confidence which can lead to a more successful life.

Dr. Thomas Jusino also holds a degree in mechanical engineering. He can offer you a unique edge in the formation of a healthier, happier smile. With his knowledge of growth, development and the mechanics of braces, "The Smile Engineer" will recommend the best course of treatment for your child or adult.

Dr. Jusino and his staff take pride in providing the best in orthodontic treatment and care. They work with state of the art technology including the new "INVISALIGN" system for adult patients, and the DAMON II system, which allows more time between appointments, and uses gentler wires. For quality care in a relaxed, comfortable and friendly environment, call Dr. Thomas Jusino to schedule a complimentary examination. His office is located at 30330 W. 12 Mile in Farmington Hills, phone 855-5710.

Kotila Chiropractic Life Center

Welcome to the exciting world of chiropractic. Join many of the patients and even some of your neighbors who have discovered the benefits of chiropractic care at Kotila Chiropractic Life Center. You may wonder, "What is chiropractic for?" Many people experience chiropractic as a natural, drug-free way to get healthy. For example a little boy who no longer suffers from headaches and sees his grades improving may tell you, "Chiropractic is for headaches." A young woman who tells you, "Chiropractic is for menstrual problems." Others may tell you that chiropractic is for digestive problems, breathing difficulty, back or neck pain, sciatica, neurological problems, colic, bed-wetting, whiplash, work injuries and many more conditions. But this isn't all that people will say. You'll also hear them say that they come to Kotila Chiropractic Life Center for more energy, for improved sports performance, for feeling more alive, for better resistance to disease and to help ensure drug-free lives for themselves and their families. What does Dr. Gary Kotila do? He removes a serious interference in your life and health—veritable obstacles which prevent you from functioning at your best. Then you can be more balanced with less stress on your nervous system and body structure. You can then better tune into your inner resources of life, health, and healing.

This information has been brought to you in the interest of better health by Kotila Chiropractic Life Center located at 28800 8 Mile Road in Farmington Hills, phone 248-471-4440 or visit their website at www.kotilachiropractic.com.
