Tu Lively Immunity

The liner notes read "It's the next best thing to being there" and it couldn't be more true. From the way the first track, *Guess Who's Coming to Dinner*, creeps up through the hum of the crowd, local reggae favorites, Immunity hits back in a second live CD, aptly called *Tu Lively*. If it doesn't shake your soul, nothing will.

Vocalist Jonathan Pettus begins with a dedication "to the women, to the mothers and fathers, sisters and brothers" which sets the pace at the start - this is reggae for the masses. Detroit Music Award winners for three consecutive years, the man of Immunity - Pettus, Tommy Wall, Tom Farga, Tony Mitchell and Bill Koggenhop - have released another sonic party.

This time the band puts its signature whirlwind touch on hits like Chuck Berry's *Johnny B. Goode* and Bob Marley's *Exodus*. But don't overlook steamy tunes like *Punamy Jam*, a groove-based Immunity original. *Tu Lively* is just a little something sweet to tide you over until Immunity hits your town. For more, log on to <http://www.immunitymusic.com>.
