Unconditional Love
To love someone unconditionally means that one's love is absolute and is without limits. Human emotions are such that we usually distance ourselves from those with unpleasant attitudes or behaviors, so at times loving someone regardless of their actions or feelings toward us is extremely difficult. An example of this could be a married couple - they may be so much in love on their wedding day, but later get a divorce because they no longer care for each other. Unconditional love is a blessing from our Heavenly Father and involves forgiveness, understanding, wisdom, and praying for our loved ones. A parent's love for their children, or a child's love for their parents can be unconditional, and God's love for His chosen people is also unconditional. The Bible tells us that there is nothing in all creation that will ever be able to separate us from the love of God, which is ours through Christ Jesus our Lord.
Live a life of love, just as Christ loved us and gave himself up for us as a ransom offering and sacrifice to God.
