

Falcons claim city honors in soccer

Lorianne DeDomenico scored both goals Monday to give Farmington a 2-0 win over North Farmington and the public school city championship in girls soccer.

DeDomenico scored her first goal midway through the second half with an assist by Beth Kolacki, firing a shot from 18 yards in front of the net.

Several minutes later DeDomenico took a pass from Erin DeRoo and found the target again for an insurance goal.

"The first half was pretty even," Farmington coach Steve Montgomery said. "We came out a little flat; North was pumped up and ready to play."

"We just kept our composure,

I told the girls to be patient and eventually good things would start happening. Sure enough they did."

Farmington keeper Katie Johnson was in goal the entire game for her seventh shutout, some of which she has shared with Becky Veltling.

The Falcons had 3-2 in the Lakes Division and improved to 12-5 overall.

"We were a lot more intense (in the second half)," Montgomery said. "In the first half, North was able to slow the game down a lot. In the second half, they started giving us throw-ins, but the main thing was we stepped up our play,"

Kolacki had a goal called

back because the Falcons were offside; and Maggie Vaillancourt also had a scoring chance that didn't pay off.

With the game still scoreless, the Raiders decided to play for the win since they couldn't win the city title with a tie, according to North coach Tim Russell. The Falcons had the edge in the tiebreaker with a greater goal differential.

Russell began moving defenders to offense, and it was shortly after that DeDomenico scored her first goal.

"From that point on, Farmington's offense took advantage of the fact we had to move some of our key players forward," Russell said.

"For the first 60 minutes, the game was played very evenly at midfield. I was proud of our defense, because we allowed almost no chances on goal."

Farmington put a ball off the crossbar for its only significant challenge, he added, while North missed two solid opportunities to score the first goal.

"All-in-all, we had the best opportunities until we moved key people forward," Russell said. "I asked the team after the game if I had made the right decision by going for the win, and they agreed it was the right choice. 'If we had played even-up, I'm sure we could have earned a tie or even a win, but 'no guts, no glory.'"
