

Orchard, Green Lake Road repairs near completion

Construction on two West Bloomfield road projects is slated to be completed by mid-July. At the intersection of Green Lake and Richardson roads, primary routes to many of West Bloomfield's waterfront neighborhoods, workers are adding turn lanes and traffic lights.

The Road Commission for Oakland County initiated the project because of high traffic volumes and safety concerns, despite opposition by several residents who said the upgrades interfere with the rural characteristics of that part of the township.

"There were some who wanted to save trees, others who didn't want the roadway closer to their house, but they are paving only in the road commission right-of-way," said township Supervisor David Flahiser. "Basically, they are only paving over gravel areas."

Without the traffic light, vehicles back up onto Pontiac Trail and Green Lake Road during the afternoon rush. There are less-severe backups with traffic going from Green Lake Road and onto Pontiac Trail during morning rush periods.

The turn lanes and an automated traffic light should improve traffic circulation in the area, said road commission spokesman Craig Bryson.

"The automated traffic lights will operate based on the traffic levels," Bryson said. "The sensor will keep the green light on longer for roads with the longer lines of traffic."

Left-turn lights will be included in the traffic signals for the busiest lanes of the intersection. Curb and gutter are also being added.

Bryson said the project should be completed by July 13.

Also this month, the road commission began repairs on the roughest sections of Orchard Lake Road between 12 Mile and Maple in West Bloomfield and Farmington Hills.

With weekend work minimizing the number of lane closures, 1,750 square yards of concrete will be replaced. Bryson said the concrete slabs that are being replaced are identified as the worst ones along the three-mile stretch. Pothole filling in these areas, Bryson said, is no longer effective.

"This should be a significant improvement to Orchard Lake Road," said Bryson, who added the concrete replacement should be finished in six to eight weeks.

Road commission representatives said the repairs were not designed to be a permanent fix for all the road's cracks and bumps. But they hesitate to make any major repairs to Orchard Lake Road, particularly between 14 Mile and Maple in West Bloomfield, with the Northwestern Expansion project pending. The expansion will reconstruct that part of Orchard Lake.

West Bloomfield Township, Farmington Hills, the Michigan Department of Transportation and the road commission are moving closer to completing the Northwestern Expansion plans, but officials said construction on the \$80 million-plus project will not begin for several years.

Catholic Central Quiz Bowl team has record-breaking season

For a team of high school students, "Who Wants to Be a Millionaire" is a breeze and "Jeopardy!" is a snap.

They're accustomed to the real deal — the tough stuff.

This group of whiz kids comprise the Catholic Central High School Quiz Bowl Team, and have broken all the records this season. The six-member team topped off the season with a national title, defeating cross-

town rivals from Detroit Country Day High School.

"I am very, very pleased with these kids," said Howard Weinberg, quiz team coach. "They have been very hard-working and committed to long-term objectives. It's been a very rewarding season."

The National Academic Quiz Tournaments High School National Championship Tournament was held earlier this month at the University of Michigan in Ann Arbor.

During the school year, the

team competed in 24 tournaments in 10 states, traveling more than 15,000 miles. They won 11 tournaments in seven states and finished the season with an unprecedented 212 wins and 18 losses.

"I believe it is the first time a high school team has ever finished with more than 200 wins," Weinberg said. "And they had the toughest schedule in the U.S. That was by design."

The team practiced every day for a half hour and scrimmaged once a week. As tournaments

approached, they practiced up to five hours a day. Weinberg said he closely tracks the types of material included in the tournaments to formulate the practice material. He said the students are quizzed on everything from physics to the Bible.

The team members are: seniors Josh Crawford of Farmington Hills, Jeff Shattcock of Westland, Chris Hammer of Livonia, Jason Gehan of Livonia and juniors Joe Galea of Livonia and John Schultz of Detroit.

The school's quiz team was

formed by Weinberg 17 years ago. He also teaches advanced placement U.S. government and advanced placement micro and macro economics.

At the national competition, the students faced questions written by the officers of the National Academic Quiz Tournaments. Kevin Olmstead, a recent winner on "Who Wants to Be a Millionaire," is also an officer on the NAQT panel.

"It couldn't have happened to a nicer person," Weinberg said.
