Budget Bathtub Liners

Company offers solutions for tub troubles

When was the last time you did a fantastic job cleaning your bathroom, only to realize the tub still looked less than perfect?

If the finish on your bathtub is chipped, peeled, faded or permanently stained no amount of cleaner and scrubbing will do the job. The bathtub needs to be fixed.

Visit our 12,000 sq. ft. factory showroom located in Madison Heights, where we sell over 5,000 bathtub liners and wall surround systems annually. We also sell a complete line of Whirlpool, soaker tubs and hydrotherapy massage tubs.

Reglazing is an option, but only a temporary one. There's no guarantee the finish won't go bad again and the reglazing process is difficult and involves many dangerous chemicals.

The bathtub could be replaced, but there is even more mess involved, not to mention the cost.

There is another solution, though, and Budget Bathtub Liners Co., with showrooms in Lincoln Park and Madison Heights, has the answer: a new bathtub liner or total complete system consisting of bathtub

liner and wall surround system.

One of the hottest trends in bathroom remodeling, bathtub liners and wall systems fit over not only existing bathtubs, but also ceramic walls in your bathroom. That means less mess and less time between what your bathroom looks like now and a completely new appearance.

For a limited time only, bathtub liners are on sale from \$389 installed. Complete systems, which include bathtub liner and wall surround, are on sale from \$1295. That's about 50-75% less than the cost of other bathtub liners and ceramic tiles which average about \$3,000 to \$5,000 and more.

Budget Bathtub Liners is able to offer the low prices, according to Dean Hartley, because of the large volume of business it does.

"We're the largest distributor of Acrylic Bathtub Liners and Wall Surround Systems in the country," Hartley said. "I'm proud of that."

When a homeowner places an order for a new liner, employees take 15 different measurements and several photographs of the existing bathtub. The measurements

and photos are then sent to the company's factory, where a custom liner is made using one of 750 models in stock.

In addition, seven colors and four marble finishes are available along with a complete line of Delta and Kohler fixtures.

All Budget Bathtub Liners and Wall Surround Systems are made of DURABOND Owens Corning High Impact Acrylic and carry a Lifetime Warranty. This is the same material football helmets, and bowling balls are made from and the liners are made three times the thickness of those found at home improvement stores and are guaranteed not to chip or peel and to retain their finish. In addition, installation, which can usually be done in one day, is guaranteed.

Budget Bathtub Liners Co. is at 23170 John R. Madison Heights and 3307 Fort St. Lincoln Park between Edmon and Champaign adjacent to Mickey Shon. The showroom is open from 9 a.m. to 6 p.m. Mondays, Wednesdays and Fridays, 9 a.m. to 7 p.m. Tuesdays and Thursdays, 9 a.m. to 4 p.m. Saturdays and 11:00 a.m. to 5:00 p.m. Sundays. For more information, call Budget Bathtub Liners at 1-800-BATHTUB.
