

ESPN highlights bowling at its best

Last Sunday was a special treat for bowling fans as both the men's and women's U.S. Open events were televised on ESPN. It was a solid three hours of televised pro bowling at its best.

Al Harrison

On the men's side, it was the first time that a foreign-born bowler had won, as Mika Koivuniemi of Finland took the honors and the \$100,000 first-place purse. Koivuniemi is currently a resident of Ann Arbor, so he was representing the Detroit area as well as his native land.

As for the female circuit, Belleville's Lisa Bishop gave it a valiant effort but came up a little short of making it to the televised finals. At mid-week, Bishop held first place among the qualifiers, but then slipped to tenth. Kim Terrell emerged victorious, beating everyone including leading qualifier, Wendy McPherson. Terrell was nicely locked-in, and proved to be unbeatable.

The Ladies top prize was \$45,000, which is not as much as the men's prize, but much greater than past tournament purses. If you missed the bowling, could it be due to the Detroit Lions playing Tampa Bay on television at the same time?

G.D.B.A Christmas party

The Greater Detroit Bowling Association held its annual Christmas meeting and dinner party last Wednesday at the Ukrainian Cultural Center in Warren. Current G.D.B.A. President Marvin Dooley welcomed the board of directors and guests for the meeting, and took care of the business it takes to run the largest local bowling association in the nation.

The board of directors will be planning for the ABC National convention in March at Billings, Montana. These conventions are basic to the way the sport of bowling will be guided in the years to come. The topic of a unified Single Membership Organization, an idea whose time has come. The big question is how best to go about this vast undertaking without negative results. The board has decided to put off a vote on the issue until some more studies can be done.

Old Timers results

The Old Timers Bowling Tour-

namment has come and gone. The winners were all announced and awards were given out. Something new was added this year, however, as two young men were chosen to receive the tournament's first scholarship awards in the amount of \$500 each, which will help further their education beyond high school.

Jeff Sosnowski of Westland, a recent graduate of John Glenn High School, was one of the scholarship recipients. He is attending Schoolcraft College and aims to pursue a career as an electrical engineer. He accepted his award during the opening ceremonies and made a big hit with the elders when he took the mike in hand and said, "I look forward to bowling here...later in life, see you in about forty years." The scholarship program will continue as a regular part of the event for many years to come.

title this year. Dwyer, who has coached Farmington for 17 years, also expects big contributions from senior captain Annie Lieberman, Lindsay Smith, junior Natalie Olesko, sophomore Dayna Warheit, and freshmen Emily Luxon and Samantha Sherry.

"I expect us to be one of the top ten teams in the state. We've got eight girls that can score at least an eight in every event, so we should average in the low 140s as a team," said Dwyer, who teaches biology at Farmington High School.

"This is going to be a fun year. We've got a lot of depth, and have the potential to be really good. The girls are hungry, and can't wait to see what they can do."

While he thinks winning a state championship isn't out of the question, Dwyer said his first priority is improving on last year's second-place finish in the Western Lakes Activities Association. The Northville-Novl Unified team won the league, on its way to winning the state title.

Farmington faced the defending champs Thursday in Novi in an early season dual-meet. Led by Houchins, Seymour and Keesling, Farmington came away with an impressive 141.2-188.5 victory.

"It was a great win for us. We should be neck and neck with them the whole season. I look for them to be one of the top teams in the state," Dwyer said.
