Brown had 12 assists, one kill and three digs; Young had eight digs and one kill; and Janowicz had three kills, seven blocks and four digs.

Kimmel served nine consecutive points and 13 total in the match; she also had three kills and two digs.

"We maintained our focus through the whole match, which was kind of a challenge," Perrin said. "The Warriors were struggling but we didn't let up. That's a sign of a team that's ready to perform."

**Raiders perfect in WLAA**  
North Farmington is 3-0 in the Western Lakes Activities Association and enjoying its best start in league play in a long time.

The Raiders won their third straight match Monday at home against Northville, 15-11, 16-14. They also won the third game, 16-10.

"Overall, we came out strong early on," North coach Deb Calanchi said. "Momentum in this game switches. We were up 8-3 and let them back in the game. But the girls keep battling and are starting to play with confidence."

Meghan Callahan was 11-of-12 serving with six aces and 16-of-

16 hitting with eight kills. Melissa Traczyk was 7-of-8 serving and hitting with two aces and four kills.

"(Traczyk) started the match with a solo stuff block, and that set the tone for her and the team for the rest of the night," Calanchi said.

Lisa Scher was 5-5 serving with one ace; Michele Bothroyd was 4-of-4 passing and 8-of-8 receiving aces.

Nicole LeClere had two aces but not a lot of other stats; however, "she had her game face on" and contributed in other ways, according to Calanchi. "Stats don't give her credit for what she did for the rest of the team," she said.

Brittany Pajowski, who was 6-of-7 serving with one ace, and setter Ashley Lynch, who had six assists, led North to the win in the third game.

The Raiders had a good performance Saturday in tournament play, winning their pool at Walled Lake Central.

North defeated Birmingham Groves, 15-7, 16-5; split with Waterford Mott, 10-15, 16-14; and split with Grand Ledge, 13-15, 15-11. Brighton defeated North in a quarterfinal match, 6-15, 7-15.

"Coming off Thursday (second in the city tournament), we had a great start against Groves," Calanchi said. "We were blocking unbelievably well."

"Our pool was pretty even. We held up the whole tournament, because we had a lot of long matches. We took first by total points; we've fallen short in other tournaments by points."

"We had a great morning. We played well and played tough even when we split some matches. Unfortunately, we sat for an hour before we played our play-off match."

"We didn't serve as well as we needed. We sent free balls over to Brighton. We weren't able to run an offense, and we gave them a lot of opportunities."

Callahan was 18-of-19 serving (four aces) and 56-of-77 hitting with 21 kills. Elna Pinitis was 37-of-42 serving (seven aces) and 31-of-42 hitting with 15 kills.

Traczyk was 31-of-34 serving and Amy Burke 38-of-40 with four aces apiece. Lisa St. Charles had 28 assists and Scher 19. Jessica St. Charles was 22-of-25 on serve receive and Bothroyd 26-of-30 digging.
