## Botsford establishes fund-raising foundation

The Botsford Health Care Continuum Board of Trustees' has established the Botsford Foundation to take the lead in fund development activities for all parts of the Botsford Health Care Continuum.

Care Continuum.
"We are establishing an organization whose sole purpose is
fund raising and other financial
resource development activities
in support of the Botsford mission," said Gerson Cooper, President and CEO, Botsford
Health Care Continuum. "This
action speaks to our future and
makes the clear statement that

Botsford is committed to the community and is here to stay as an independent health care

as an independent health care provider." Initially, the Botsford Foundation will focus its efforts on a \$10 million campaign to raise funds for an emergency department expansion and the establishment of an endowment. Margo Gorchow, Botsford Administrator for Hospital and Community Relations, will lead the foundation as the first Executive Direction. The Foundation will have its own board of directors.
