Praying From the Heart

As children, most of us probably learned all of our prayers, as we would say, "by heart." We memorized them, but probably without fully understanding the meaning of all the words. As children grow older and continue to say their prayers, hopefully the meaning of the words will become more clear to them. However, because we are so accustomed to simply reciting memorized prayers as children, we often do not reflect on the meaning of what we are saying. When we pray, we should truly understand our prayers and not just move our lips and go through the motions. Our attitude should be one of love, trust and respect for our Heavenly Father. Praying memorized or spontaneous prayers from the heart is well-received, and we should realize that when we are praying, we are in the presence of God. The Bible tells us that our Father in Heaven already knows what we need even before we ask Him, and also that we should be forgiving of others so that our Father will forgive us. When we pray, it is for our benefit, and when our prayers are meaningful, we are returning God's wonderful love.

Delight yourself
in the Lord
and He will give you
the desire of
your heart.
