

Bowlers celebrate spirit of annual Freedom Festival

Traditionally, every time the Freedom Festival comes around, there is a bowling get-together between the USA and our Canadian neighbors called Hands across the Border. The event alternates every other year between Detroit and Windsor, and this was the year for Greater Detroit, with Thunderbowl Lanes in Allen Park as the site, to be the host. It is more of a fun and social occasion with a nine-pin, no-tap format. Everyone had a great time and several entrants

walked away with some nice rifle prizes. I had put in an early entry but was not able to attend this year as my older son, Rick, sent me a round-trip airline ticket to spend Father's Day with his family in Minneapolis. I didn't go bowling; I went to Minnesota instead. There are no winning scores to report as it is a social/fun event where everyone is a winner. Next year it will be held down south in Windsor. *Those younger bowlers are amazing. Now comes 15-year-old Joe Petryl of Canton, who has been a regular bowler in the youth leagues at Super Bowl. In his inaugural action competing in the Michigan State Coca Cola Tournament on May 25, he bowled games of 190-244-171-199-170-158 for a six-game total of 1,132. Combined with his handicap for his entering average of 125, he ranked second in the division and third over the entire tournament. On July 15, he will be taking his competitive bowling skills to the National Coca Cola Tournament in Winter Haven, Fla. *Tim Wiczorek has changed his location, no longer at Thun-

derbird Lanes in Troy or Troy lanes, where he had set up shop for awhile. He is now operating with Kevin Wojcik in Roseville at Gratiot and Frazho. Tim is well known for having developed what he has named the Freestyle Grip method of drilling up a ball. It has been very successful for many who have given it a try. According to Tim, "It goes into a stronger roll with less physical strain on the hand and arm." He even has customers coming in from all over the USA and Canada. Tim is a resident of the Waterford area, and he may be a little harder to get to for west-siders, but the results are worth the extra miles. Wiczorek had a brief career on the pro tour but was forced to quit competitive bowling when stricken with an aneurysm several years ago, he now just concentrates on helping others.
