the account actions of the French home.

CHAPTER VI.—(Continued).

Lestrange hestated, himself troubled. Her soft loveliness in the delicate light that left her eyes unreadiable depth of shadow, her thinking and analyty for his safety and held on the remail fair hand, misaking his silence for leavetsking.

"Good night; and I thank you for coping. I am not used, to, so, much bensideration."

Her accents were nasure when she would have made their most extendible his fair hand, misaking his silence for leavetsking.

"Good night; and I thank you for coping. I am not used, to, so, much bensideration."

Her accents were nasure when she would have made their most certain, the property of the her movement to his facet. Mechanically Lestrange recovered the bit of linen, and feld. It le wet in his fingers. Wot—

"Emily!" he cried abruptly, and sprang the brief step between them. Her white, terrified face turned to him in the moonlight, but he saw her eyes. And seeing, he kissed ther for The moment take no coming down the house of the his property of the his serious meaning—he had that force of stacerity which made his selence more convincing than the protestations of others. But alone in the selence more convincing than the protestations of others. But alone in her room she land touched.

"A start of the protestations of others. But alone in her room she land touched start is an analysed to her heart." West I had died before I made him unhappy too."

Morphing found a pale and languid Emily across the breakfast table from Mr. Ffreach. Vet. by a contradiction of the heart, feer pride in loving and delige loved to overhore the knowl-deling loved to overhore the knowl-bernell and Lestrange, that her eyes shone wide and instrous and her lips covered softly. Mr. Ffrench was almost in high spir-

Mr. Ffrench was almost in high spirits.

"The boy was merely, developing," he stated, over his grape-fruit." I have been unjust to Richard. For two months Bailey has been tailing of his interest in the business and attendance af the factory, but I was increduous. Although I fancied I objected a change in him, Emily "Yege," Emily "confirmed, "a very great change. He has grown up at last."

"Ah' I cannot express to you how it gratifies me to have a French representing me in public; have you seen the morning fournals?"

"I have losts up the newspaper beginning in gradiness for Beach Confident of the second of the

side him and passed across the folded page.

In readiness for Beach Contest, the headlines ran. "Last big driver to arrive, Lostrange is in Mercury camp with R. Firench, representative of Company."

And there was a blurred picture of a speeding car with driver and mechanical masked to gobinesque non-identity, with the legend underneath; "Darling Lestrange, in his Mercury on the Georgia course," but year is sharped in the property of the prope

"Of!" she echbed vaguely."

To one who is unworthy thought with the papers and stickard has redeemed our family from extinction; that is at reat." He presented for an instant. "My effect that he are the present of the propers and stick will tell me of you. It will be presented for an instant. "Any effect that he will tell me of you. It will be comment."

To shall be containt." A serve out the present of the

"If Dick is here, if he is instead of; a substitute," as he said, earefully quiet in manner, "would it matter, since it am only a sirt, whom I married, Uncle. Fiban?" The recollection of that evening when Emily had given her promines of all, attred under Mr. French's self-absorbition. He looked across the table at her coloriess, eager face with perhaps his first thought of what that promises might have cost her. "No," he replied kindly. "It is part of my satisfaction that one set feet of the course, in each and the continuous of the course, in each and say profided the min 15,00 your own chales, without the course, in each and say profided the min 15,00 your own, class, and associations, "We will fear mp more low marriages."

She had known it before, but it was hard to hear the sentence embodied in

"I mean that even your unce can-not deny my inherited quality of gen-tleman: I am no millionaire incognitio. I have driven racing care and managed this factory to earn my living, having no other dependence than upon my-self, but my blood is as old-as yours.

from the first, there was no shyness between them, but the strange, ex-quisite understanding now made per-

poetween them, but the strange, er, quisite understanding now male perfect.

"I was right'to come to you," he declared, after a time. "Right to fear that you were troubled, conselentious lady. But I must go back, or there will be a firm disturbance at the Beach. And I have shattered my other plans to inlagnificant fragments, or you have. It I did not forget by mone light that you were Emily French, I certainly forgot reverything else." She looked up at him, her; softly-tiated face bright as his own, her yellow haft rumpled into fossy teadfis under the black ribbon binding it. "Everything else" she echoed. "I there anything else but this?" "Nothing that counts, to me. You for my own, and this good world to live in—I stand bareheade before it all. But yet, I told you once that I had a purpose to accomplish a purpose now very near completion. In a few months i meant to leave Strenck-wood,"

wood,"
Emily gave a faint cry.
"Yes, for my work would have been done. Then I fell in love and upset everything. When I tell Mr. French that I want you, I will have to leave at once."

that I want you, I will have to leave at conce."
"Why? You said—"
"How brave are you, Emily!" he asked. "I said your uncle could not expendent you mane or birth, but I did not say he would want to give you to me. Nor will be unless I am instaken. Are you going to be brave enough to come to the, knowing he has no right to complain, thee you and I together have given him Dick!"
"He dege not know you; how can you sell he-does hot like you?" she

you dell be does not like your urged.
The you think is like Darling Lestrange of the race course?
The country of the race course?
The country of the race course?
The country of the race course?
The race is little down there, be added. I have not been fortunate with your theman. No, it is, for you to say whether Ethan French's unjust caprice is an between us. To me it is none.
