Underestimating God
God has given us the ability to analyze almost any situation that we are faced with and to determine what is within our realm of capability. However, we sometimes may incorrectly transfer our human way of thinking and apply it to God. At times we may believe that some problems are too big or that some situations are too insignificant to concern our Heavenly Father. The Bible tells us that with God, nothing will be impossible (Luke 1:37), and that we should pray about everything (Philippians 4:6). I am always amazed at how God answers prayer. It seems that when we ask our Lord for help with all of the different problems we encounter, they often get resolved in ways that we have not considered. We have to remember that God's ways are not always our ways, and that His ways are always perfect. We don't always have to understand what happens to us, we only have to have faith and trust in God that He loves us and wants what is best for us. God is true to His word and all things are possible according to His will.
Take delight in the Lord, and He will give you the desires of your heart.
