**What Is Important?**  
A person may take years to master a trade or profession of their choice. Athletes and musicians will practice and work for years to become proficient in their chosen field because they are committed and determined to succeed. Most anything that is good and worthwhile takes time and effort, but is usually very rewarding. Building our faith and trust in God also takes commitment and determination. Our relationship with God is a lifelong learning experience that involves both joys and disappointments, victories and defeats. The way we react to these different situations can be a wonderful learning experience. The Bible tells us that God has revealed His grace for the salvation of all mankind. That grace instructs us to give up ungodly living and worldly passions and to live self-controlled, upright and godly lives in this world (Titus 2:11, 12). God wants us to know Him, to trust Him and to love Him all the days of our lives in this world, and to be happy with Him in the next.  
May He give you the desire of your heart and make all your plans succeed.  
N.I.V. Psalm 20:4
