

# Detroit Dance Collective, visual artists team for show in Dearborn

Dance and art enthusiasts can get a special treat as the Detroit Dance Collective and the Ford Community Center and Performing Arts Center bring music, dance, video and traditional art together for two evenings this week. The Detroit Dance Collective will host the performance from 7:30 to 9 p.m. Friday-Saturday, Sept. 19 and 20 at the Ford Community

and Performing Arts Center in Dearborn. Tickets are \$12 for general admission, \$10 for students and seniors. There will be coffee and desserts after the performances. Atmospheres, Dialogues with the Unknown is a combination of dance and multimedia presentation brought together with original music. The choreography, video and

stills and the music are all created by Detroit-area artists. Coordinator Barbara Selinger has been choreographing multimedia and dance since 1986. Her work has centered around the relationships between space, time and motion. Along with the dance, there will be a viewing of the Padzieske Art Gallery. The gallery will feature the work of

realist painters Lucille Nawara and Claudia Sheppard. Nawara is primarily

a landscape painter while Sheppard's work centers around life-sized dresses.

The paintings will be on display from Sept. 19 through Oct. 26.

The Detroit Dance Collective presents Atmospheres: Dialogues with the Unknown, a dance performance/video installation 7:30 p.m. and 9 p.m. Thursday-Friday, Sept. 19-20, at Ford Community & Performing Arts Center, 15801 Michigan Avenue, east of the Southfield freeway, Dearborn. Tickets are \$12, \$10 students and seniors. Reservations recommended. Call (313) 965-3544.

Children's Care... the pretty important things at Tutor Time...

Tutor Time understands that nothing is more important than building a young child's self-esteem. So we have written our new curriculum, designed our facilities and trained our teachers to create a nurturing, developmentally appropriate learning environment. Children ages six weeks and up will not only acquire skills...but grow as people.
