The Inscrutable Heart

The Inscrutable
When it comes to truly
understanding why we do the things
we do, most of us are a mystery even
to ourselves. For example, do we help
the little old lady across the streat
because we feel sorry for her, or
because we feel sorry for her, or
because we want to be rewarded in
because we want to be rewarded
sometimes, and of these motives are
present at the same time, and we
may not really know why we did the
act in question. But we usually know
what is the right thing to do, except
perhaps in the most complicated
or helping the tittle old telly across
the street, we know that it is the
right thing to do. The most important
thing is to got into the habit of doing
the right thing, and doing it simply
because it is the fight thing of
the right thing. The heart is often an
inscrutable mystery, and it has its
own reasons which the intellect may
not always understand. Therefore,
worry too much about why you did it.

With the same

search the mind and try the to every mar according to his his doings.
