of mind."

"I'm talking about a commitment from your insurance company to be what you know and expect, assuring you access to the best that is available in Michigan. An assurance that we are going to be there tomorrow and the next day and the following day. When you need Blue Cross, we will be there - we've been there for your grandparents, for your parents, for you. And we will be there tomorrow for your children and your grandchildren. What more could I ask from an insurance company than peace of mind and assurance that you will continue to be there for me?"

You and the POWER of Blue!
