## Tune Into Your Inner Resources Of Life

## Health And Healing

## Berlinger Chiropractic

Come and experience the incredible power of chiropractic; a system of healing that is over 100 years old. Chiropractic is the second largest healthcare system in the country and is the largest "alternative" healthcare system. You may wonder, "What is chiropractic?" Chiropractic is a natural, drug-free way to get healthy. Others may tell you that chiropractic is for digestive problems, breathing difficulty, back or neck pain, sciatica, neurological problems, colic, bed-wetting, high blood pressure, and many more conditions. But it's not just all that people will say. You'll also hear them say that they come to Berlinger Chiropractic for more energy, for improved sports performance, for feeling motivated, for better resistance to disease and to help ensure drug-free lives for their families.

What does Dr. Berlinger do? Chiropractors remove a serious interference in your life and health—ventral subluxations which prevent you from functioning at your best. Then you can be the person you were always intended to be by your body's structure. You can then better tune into your inner resources of life, health, and healing.

Hutcheson Manor  
Residential Care, Inc.

## Adult Foster Care

Seniors are not merely living longer lives. They are living more useful and productive ones. As a result, an increasing number of today's seniors are searching for a sensible living alternative. They are looking for a place where they can live in a safe, comfortable, and well-maintained environment. Hutcheson Manor Residential Care offers a sensible alternative, an adult foster care home. Adult foster care is for those who may need a little help getting going in the morning, brushing, grooming, eating or health medication scheduling; and who are more independent the rest of the day.

What most individuals and their families appreciate is the home-like atmosphere they find at Hutcheson Manor Residential Care. Since they are in a 11-bed capacity facility, the residents receive personal attention. It is family owned and operated and costs less than a nursing home. One simple for everything—housing, food, laundry and round-the-clock supervision. Their residents are surrounded by companionship. They benefit from all the individual activities, and they receive 3 healthy meals a day, with snacks between. And privacy is there too. All they need to do is close their door. Also, it's a secure environment for those who tend to wander. If you would like to become a PART OF THE HUTCHESON MANOR FAMILY, they are located at 21620 Middlebelt Road (Between 9 Mile & Grand River) in Farmington Hills.

## Hadley's Towing &amp; Recovery, Inc.

When your car or truck breaks down at 2:00 a.m. it's comforting to know there is such a reputable towing service as Hadley's Towing & Recovery. Hadley's Towing is a family owned and operated business. If you have a car trouble just call 248-471-5763. Located at 24825 Hathaway in Farmington Hills, this towing firm offers prompt, 24 hour wheel lift and flat bed towing as well as car service. Hadley's Towing is locally owned and operated and has been proudly serving the area for many years. Hadley's Towing features state-of-the-art trucks which are fully equipped with wheel lifts to ensure damage free towing. With today's cars and trucks having plastic or fiberglass over much of the front and rear ends of the car and, in the unfortunate case of becoming stuck in the snow, mud or even in a ditch, one wrong attempt at recovery could result in serious damage to the vehicle. Hadley's Towing is a towing firm that has the proper equipment to recover your vehicle. Hadley's equipment is especially designed to handle these and other problems involving the transportation or recovery of any vehicle. They also now offer Farmington Police departments. For these reasons and many more, rely on Hadley's Towing for all of your towing and recovery needs.

## Olde Orchard Pediatric Dentistry

Susan H. Carron, D.D.S., M.S. • Claire L. Cullen, D.M.D. • Fernanda G. Fontes, D.D.S., M.S.

Pediatric Dentists are dental specialists who have a minimum of two years additional education and training beyond the basic dental degree, and are dedicated to the oral health of children from infancy through teenage years. The pediatric dentist is experienced in treating children who may be fearful, young, or have a lot of decay or are medically compromised. Since 1986, the American Academy of Pediatric Dentistry has recommended dental check-ups by age one, similar to well baby check-ups. Dr. Susan H. Carron, "Like the pediatrician, an examine even very young babies." Dr. Carron and associate, Dr. Claire L. Cullen and Dr. Fernanda G. Fontes, dedicate a large portion of their practice to treating patients to prevent cavities. Up to 30% of three year-olds have decay. They are often surprised to find that the child they were a healthy child, is now teaching parents to prevent cavities. Dr. Carron, "Fruit based snacks such as raisins, popular nut-free brands or yogurt, are loaded with sugars, and milk and yogurt, which are not healthy for the baby's teeth. If you put to bed with a bottle, your child should visit the dentist every 6 months for preventive care."

Dr. Carron, Cullen and Fontes recognize the importance of parental involvement and welcome parents into their treatment rooms. They provide personalized attention in a comfortable environment. All doctors are active members of the Michigan Dental Association, Michigan Academy of Pediatric Dentistry and the Cranio-Facial/Cleft Palate team at Providence Hospital. Call 248-478-3232 for more information or an appointment. Their office is located at 40105 Grand River, Suite 2.
