

Ralph's secretary just quit.

Now, what the heck is he going to do?

He needs someone who can measure up

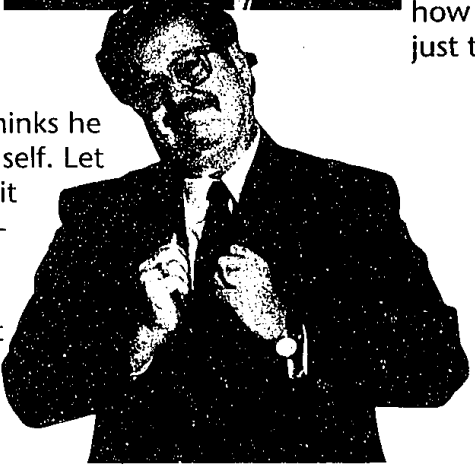

He needs someone to keep things in shape.

So, he placed an ad in the Observer & Eccentric and could not believe how quickly he found just the right person.

Of course, he thinks he did it all by himself. Let us help you do it all by yourself—whether you're looking for someone to get the job done or looking for a job, we work for you!
