

We get a kick out of covering your community.

Whether it's a soccer match or some other sport, we're there. Your city government gets heated up over an issue, we're there. We're there for your service organizations, your schools, your neighborhood news. If it matters to you, it matters to us because we are and always will be a local newspaper.

Sure, we care about what's happening in other parts of the world, but we let the metropolitan newspapers handle that. Our news is news of what's happening right where you live. And, we wouldn't have it any other way.
