

REDFORD'S COME-ALL-YE CELEBRATION

YOU'RE INVITED

To cut out all work, forget your troubles, load up the family, from grandpa to the baby, and drive over the new concrete roads to the little city of Redford and join in the great COME-ALL-YE. All the people that you know and hundreds that you don't know, but ought to, will be there. It's going to be a sort of a home-coming, a harvest festival, a carnival, a picnic, a real hail columbia kind of a time. More fun than a circus. While politicians will not be barred people will not be obliged to listen to the candidates or even to shake hands with them unless they want to do so.

KEEP THE DATE FRESH IN YOUR MIND

SATURDAY, SEPT. 7th. ALL DAY

There will be games and sports galore. Everything will be there from the greasy boy climbing the greasy pole and chasing the greasy tailed pig to foot-races by men, women, boys, girls and horses. There'll be parades of horrors and some that are not so bad. There'll be clowns and other fools. In fact there will be some "doins" every minute all day long. Two big ball games will be played one of which will be between

THE FARMINGTON AND REDFORD TEAMS

in the forenoon. Farmington is going strong this season and with Wilbur Johnson in the pitcher's box will give their opponents a warm game. Clarence Hutchins will do the throwing for Redford in this game. In the afternoon there will be another good game between

DEARBORN AND REDFORD

("Big Six" Fanning will pitch for Dearborn)

(Charley Hantz, the "Old Reliable," will be in the box for Redford)

There'll be music all day long, of various kinds, including singing by some of the leading Vocal Artists of the country, while that bunch of jolly, good fellows from Northville will supply band music in generous and unlimited quantities. Follow the
