Memorial Day Reflections

Each year in the month of May, we set aside a day to honor and remember those who were killed in service to our country. The Bible tells us that the greatest love we can have for our friends is to give their life for them (John 15:13). Memorial Day should be a reflection on all that we hold dear in our lives, including all the special moments and dreams we have, because there were those who were willing to lay down their lives for their friends. I truly believe that God has blessed us, because this country was founded on the noble principles of love and respect for one another and love and trust for our heavenly Father. Although we are not without problems in this country and we often take for granted all the blessings we have, we should always have in mind that nothing in this world is forever. Our continued presence is necessary for God's grace and blessings. The Bible tells us, "If any people who are called by my name humble themselves, and pray and seek my face, and turn from their wicked ways, then I will forgive their sin and heal their land" (2 Chronicles 7:14). God loves our country, and His love and protection are assured as long as we never forget our source.

And those who know they have put their life in their hands for those who mark this day...
